

SHY-WY RADIO CLUB HISTORY 1953 - 1993

Compiled by Jim Garrison W7NE

DISCLAIMER

If you are looking for a work of literary art, keep looking as this is not one and was never intended to be. The editor does not warrant that any of the minutes or other information is valid. The following information seems to be the facts, but I have no way of verifying it.

RAMBLING WITH THE EDITOR

The club history is something that has needed to be done. Some of the minutes and other information have already been lost. I spent over a year locating what information I could before starting to type it in. This history as with other histories has its share of errors.

Finding the records and getting them sorted out has taken more time than I thought it would. I am still looking for any old club records or any newspaper articles or other records about the club. Once we get caught up to the present year, it should be easy to keep it going. It will be easy to keep up to date if the club secretary will provide a copy or the original meeting notes when they no longer need them. Shari Baird N7UFJ provided the minutes for the past 2 years mostly as ASCII files and saved me having to type them all in.

The biggest problem with doing a project such as this is that the majority of the people who knew what happened are no longer with us. They left written records of their activities but due to carelessness or other reasons, part of them have been lost or destroyed. There will be some printed copies of the history as well as a number of copies of the ASCII files given out to present club members, it will then be harder to lose the information we have collected.

This document is made up of club minutes, notes and other available information. Not all of the minutes and other information were 100 percent clear and to the point. Any dates that are minutes will just have the date. Other information will have the date and include "Program" or "Newsletter" etc. There are some notes that I added that will indicate who wrote them. These are usually personal additions by individuals and are not minutes.

The minutes have mostly just been typed in without any changes other than the addition of the whole name and call and a few spelling errors. The word processor's find and replace was used to insert full names and call signs. It is possible that some call sign changes do not change at the correct date.

The first rough draft was printed and given out to some of the "oldtimers" to review. This gave me some additional information to add to the history.

There are enough photos, newspaper clippings etc for a scrapbook. Copies of old club by-laws and long letters etc are also available. At the present I have NO plans to tackle that project. If you think you might like to give it a try, let me know and I can show you what you have to work with.

The club membership should decide what to do with the old club records. They should be boxed up, clearly marked and preserved if at all possible. Storage should be in dry place.

Almost nothing has been found in the minutes or anywhere else on the public service the local Amateurs provided during the 1979 tornado or of the 1985 flood. If you have anything on these events, I would like to have them or at least make copies of them.

The CHEYENNE AMATEUR RADIO LEAGUE was affiliated with the American Radio Relay League (ARRL) on 15 March 1932. The club must have been around for some time before 15 March 1932. The club name was later changed to the SHY-WY Radio Club sometime before July 11, 1941.

There is a photo of the 1916 radio operators license held by Sam Zuckerman W7FT. The Department of Commerce issued the license as there was no FCC at that time.

An autographed photo of Lee DeForrest that was given to Sam Zuckerman has been located. DeForrest was the inventor of some of the early radio equipment.

The original 1932 ARRL club affiliation certificate has been located and is now in the possession of Jim Garrison W7NE. The SHY-WY Radio Club received a 50 year affiliation certificate in 1982. I still hope to find the 50 year certificate. There are some small photos of the certificate and of the presentation.

Most of the world's technology has been developed since the Radio club was formed. When the club was first started, the communications age was just beginning. Most common day things such as the FM radio, television, VCR's, tape recorders, computers, cars, telephones, Copy Machines, FAX, Cellular telephones or even electric lights were not available to the average family. People in small towns or in the country still used wells and outhouses.

Almost all of the information before 1955 seem to be lost. The years between 1963 and 1980 are also missing but there are some pieces of information. Most of the club minutes for the other years were located but there are still some gaps.

Most of the club Secretaries did a good job of taking minutes, unfortunately this was not always the case. Even the "barebones" type minutes are still helpful as they may jog someone's memory.

Some years the club had one meeting a month and other years they had two. A lot of years there were special meeting for Field Day, Civil Defense or other purposes.

When this history write-up was started in 1992 the club was at least 60 years old. During this time it seems that the club has had some very good times as well as some bad times. Individuals come and go in any club and sometimes they work well together and sometimes they don't. The fact that the club is still around says a lot for the ability of most of the members to get along with other people.

The few serious disagreements in the membership have not caused as much of a problem as apathy. If we can keep enough interesting things going, the club will continue to attract members.

Putting the date and place of the meeting at the top of the minutes would be helpful to future historians. Writing the name of the month instead of using a number will help avoid confusion. eg: 1-12-82 is 1 December 1982 or is it January 12, 1982.

Stapling the attendance sheet to the back of the minutes has been a big help in determining who was at a meeting. One meeting someone named Bob said something, there were 3 people named Bob at that meeting. Some of the corrections have been made by people who were at the meeting. There are a number of loose attendance sheets that I have not been able to match up with minutes. Attachment #1 is a list of hams in the 1947 picture and is included at the end of the history. The only information for the years before 1953 is a copy of a group photo taken on 13 October 1947 by Joe Shaffer W7PMF during a visit by Arthur Budlong W1BUD of the ARRL. Two of the group still live in Cheyenne. They are Jack Hayes W7CGK and Bud Roberts W7HLA.

Attachment #2 is a list of names and callsigns were made up from the minutes, attendance sheets, Financial records etc. It contains about 600 names and was used to fill in as many names and calls as possible in the history. Some of the minutes said eg: "Lou made a motion" ... " WFC said"... I was able to fit names and calls to most of these. Most of the missing names and/or calls were found when the rough draft copies were reviewed by local hams. There are still a few missing names or calls.

Attachment #3 is a list of non-hams or non-Cheyenne hams that were mentioned somewhere in the club minutes.

LUNCH ETC.

In recent years the club has had an informal get-together for lunch on Tuesdays. Most of the time it has been at the East Lincolnway Pizza Hut. It was also held for a while at the Owl Inn, The Bonanza and what is now Rodeway Inn.

For many years there was a coffee pot and donuts etc at the regular meetings. The present practice is for all who want coffee to go somewhere after the meeting.

HERE ARE SOME OF THE KNOWN CLUB MEETING LOCATIONS: They are not in the correct order.

Cheyenne Light, Fuel and Power Co.

Civil Defense Quanset hut at 25th and Maxwell Ave.

The Base Mars station in the Service Club building.

Old Cheyenne Airport building (Next to present branch Post Office)

Highway Department Building.

State EOC on Bishop Blvd.

Blue Cross/ Blue Shield building (Now a Real Estate office) across from the present Airport terminal building. 1972?

Old Naval Reserve building on Evans Ave.(Now Federal Express)

Homes of several Hams.

Oil Refinery- Small building on west side.

Laramie County Community College

CD Office in basement of Sheriff's dept (Old city-county bldg.) 1980's

National Weather Service. Sometimes on the night of the weather spotter's class.

State EOC on Bishop Blvd.

Building on corner of 19th and Bent. (Location of the new downtown fire station.)

LAST PLACE: Police Dept (LCEMA - located in basement near 911 area)

PRESENT: Carey Junior High School.

Some of these locations were used for a short time. Others were used at different times over a period of years.

***** YEAR 1953 *****

No minutes are available for this year. There are a number of ARRL information sheets on Training Aids, Pointers on radio club organization and activities, Safety code and insurance coverage.

***** YEAR 1954 *****

No minutes available.

***** YEAR 1955 ***** " First try at Ham plates" The Wyoming Ham Plates issue was brought before the state legislature and was rejected. A large number of questions were raised by various state agencies as well as members of the legislature.

Note by Jim W7NE Letters from the Civil Defense and Red Cross were a help but there were too many unanswered questions. All of the questions should have been eliminated by contacting the people involved before the bill was introduced. Copies of the S-41 Bill and related paperwork are available in the Historians files.

** 2 MARCH 1955 **

Meeting held at the Light Company.

Read ARRL bulletins, Treasurer's report and minutes of last meeting.

Passed swap sheet.

Don Hefkin W7VMT brought new list of Cheyenne and Warren hams. Report from Harvey Robertson W7HRM on Wyoming license plate bill and from the Rocky Mountain Director. Letter by Carl Dierks W7JJO is to be sent to all interested amateurs who helped with license plate bill.

Nomination for SCM Oscar Youngland W7NVX of Casper, Wyo. was signed by the 10 members present.

Election of new Secretary. Carl Dierks W7JJO elected.

Film on Ohm's law shown. Ed Zent W7KUB brought projector.

Went To the Mayflower Cafe for refreshments.

** 31 MARCH 1955 **

The only other information for this year is list of club supplies being turned over to Carl Dierks W7JJO (the new club secretary) by Frank Wolf W7EUZ (the old club secretary).

Among the items were some 2 cent postcards, some 3 cent stamps and \$3.54 in cash.

** 4 MAY 1955 **

Minutes and Treasury reports given.

14 Members present.

Len Slater W7MWS gave Emergency Corp cards to applicants present.

A tentative plan to try 29 MC for a local rag chew was established.

Plans were established for Field Day exercise. Equipment was supplied as follows: 5 KW power unit from CAA, Viking Ranger - Carl Dierks W7JJO, 10A SSB - ED Zent W7KUB, Sonar 110W - Herb Luckritz W7GCB, Receiver - Harvey Robertson W7HRM, Receiver - ED Zent W7KUB, Receiver - Gene Kinney W7WET, Stove- Frank Wolf W7EUZ.

Other Field Day tasks: Check on antenna mast - J R "Jim" Mossman W7RIG, Check on school house - Carl Dierks W7JJO, - Lou Springer W7YWW

** 7 SEPTEMBER 1955 **

Check on old Highway patrol radio building. see John Roberts or Sherard.

Check on city property for location of club house. Mayor Val Christenson and the city Commissioners. Don Jensen W7HCA, Gene Kinney W7WET and Marshall Perham W7WNI.

Hal DeBacco W7YJG made a motion that Tom Powell W7YGW provide 3 mobile police units from the city police to be converted within 60 days, Seconded by Gene Kinney W7WET. The units to be donated to the radio club. Motion carried unanimously.

Don Jensen W7HCA made the motion that at the next meeting the By-laws will be gone over and amended as necessary and any additional officers as deemed necessary be elected. Seconded by Len Slater W7MWS. Motion carried unanimously.

** ?? OCTOBER 1955 **

11 Members signed in at top of minutes.

The Constitution and By-laws were brought up for discussion and revision. Gil Dugger W7MNV made motion that present Constitution and By-laws be dropped and a new set be drawn up according to ARRL pattern. Motion was seconded by Hal DeBacco W7YJG. Unanimous vote on motion.

Marshall Perham W7WNI will go over the (note sentence ended here.)

Don Jensen W7HCA made the motion that a membership fee of \$1.00 be made mandatory.

** 2 NOVEMBER 1955 **

Hal DeBacco W7YJG reported on his inquiries about the cost of incorporating the club. Fees were stated as \$150. This included drafting of the Constitution and By-laws.

***** YEAR 1956 *****

** 4 JANUARY 1956 **

Gil Dugger W7MNV was nominated by Lizette Wolf W7HDS and seconded by Frank Wolf W7EUZ to take office as temporary Secretary until the next general election of club officers. The motion was passed unanimously.

** 16 JANUARY 1956 **

A letter from ARRL to all affiliated clubs reminding them about annual reports.

** 1 FEBRUARY 1956 **

An attendance list of 7 people shows there was a meeting but the minutes have not been located.

** 14 MARCH 1956 **

An attendance list of 9 people shows there was a meeting but the minutes have not been located.

** 1 APRIL 1956 **

(This is an extract from the financial report)

Took in a total of 25 memberships at \$3.00 each, \$75.00 total.

Cost of filing incorporation papers \$10.00

Cost of incorporation fees \$18.78

Cost of final filing fee for incorporation \$1.00

Donuts for club refreshments cost about \$1.48 to \$1.68 depending on what was kinds were selected. Average money collected for coffee and donuts was about \$2.00 This was a "break even point" if you include the coffee.

** 9 APRIL 1956 **

A letter from the State Radio Officer approved the use of a building. It listed the equipment that was being supplied by Civil Defense. This included a Transmitter, Receiver, Antenna tuner, microphone and a TVI filter.

** 11 APRIL 1956 **

Herb Luckritz W7GCB made motion that Shy-Wy Radio Club accept the plan outlined in the letter from John Roberts, State Radio Officer, dated April 9, 1956 for the Civil Defense plan. Contingent upon procuring insurance on mentioned (?) and liability on person or persons. George Howard W0QOB/7 seconded motion.

Ed Zent W7KUB and Len Slater W7MWS - Committee to make equipment specs.

Motion by Lou Springer W7YWW to have President, Vice President and Sec-Treas. Nomination for President - Gil Dugger W7MNV - Nomination for Vice President and Activities Mgr. Ed Zent W7KUB - Nomination for Sec-Treas. Harvey Robertson W7HRM.

17 people signed in on top part of the minutes.

** 19 APRIL 1956 **

In a letter to the FCC regarding the club license it was stated that the transmitter was a Johnson Viking II, the Receiver was a National NC-300 and the antenna tuner was a Harvey Wells Z Match.

** 9 MAY 1956 **

Introduction by all present.

Reading of Bulletins by President.

Discussion on new Civil Defense equipment and building.

President appointed Len Slater W7MWS and George Howard W0QOB/7 for a committee on By-laws related to information on club license.

18 people signed in on the top of the minutes.

** 5 JUNE 1956 **

A copy of a letter to ARRL about samples forms etc to send to FCC on a club license.

** 6 JUNE 1956 **

An attendance list shows that 9 people attended this meeting. No minutes for this meeting have been located.

** 11 JULY 1956 **

Opened meeting at home station of Ed Zent W7KUB.

Discussion of dues for the club. Motion made for dues of \$3.00 per year. Passed with no opposition.

Amended Constitution and By-laws be written up and presented to members at the August meeting. Passed with no opposition.

** 6 SEPTEMBER 1956 **

Meeting called to order at 8 PM by President Gil Dugger W7MNV in the new club house.

Introduction of all present. 19 present including 3 visitors.

Reading of Bulletins by Gil Dugger W7MNV.

Reading of new Constitution and amendments. Discussion followed paragraph by paragraph.

Motion by Lou Springer W7YWW to pay \$3.00 dues from now until April 1, 1957. Second by George Howard W7UUW. Carried.

Motion made by George Howard W7UUW to strike out the month of August in all scheduled meetings. Second by Dick Martin W7BLW . Carried.

Discussion on membership cards for all members. Don Jensen W7HCA will get information.

Motion made to adopt and accept the amended constitution and By-laws per letter attached by George Howard W7UUW. Second by Don Jensen W7HCA. Carried.

Hal DeBacco W7YJG to contact Attorney George Guy w/reference to incorporate the club.

9 Members paid dues from this date until April 1, 1957.

20 people were present at the meeting.

** 3 OCTOBER 1956 **

Reading of bulletins by Gil Dugger W7MNV.

Report on committee on operating rules by Hal DeBacco W7YJG and George Howard W7UUW. Motion made by Dick Martin W7BLW that the committee on operating rules be also appointed to check out all of the personnel on operating the Viking. Seconded by Don Hefkin W7VMT. Discussion of operating rules. Carried.

Motion made for Secretary to buy ledger by George Howard W7UUW. Carried.

Motion made by George Howard W7UUW that operating rules be approved as read. Seconded by Len Slater W7MWS. Carried.

Motion to receive Treasurers report. Second by Hal DeBacco W7YJG.

Motion made that Treasurer to automatically pay for refreshments. Made by George Howard W7UUW. Second by Len Slater W7MWS.

Report by Don Jensen W7HCA for membership cards. 100 cards @ \$2.00, 200 cards @ \$3.00 by Mr Taylor.

Motion by George Howard W7UUW to telephone FCC on the legality of the Civil Defense station operation. Second by Don Jensen W7HCA. Carried.

Motion to have a special meeting 10-10-56 Carried.

** 10 OCTOBER 1956 **

Special meeting was held to discuss the Civil Defense test, the frequencies to be used and to assign operators to shifts.

** 6 NOVEMBER 1956 **

Several Cheyenne hams (Don Jensen W7HCA, Low Springer W7YWW and George Howard W7UUW) took part in an AREC/RACES operation caused by the November 2, 3 & 4 snow storm. States involved were North Dakota, South Dakota, Nebraska, Iowa, Wyoming, Colorado and Montana.

A total of 103 Ham stations were involved in the net.

** 7 NOVEMBER 1956 **

Reading of bulletins by Gil Dugger W7MNV.

Talk by Don Jensen W7HCA on clubcards. Motion made by Ed Zent W7KUB to give Don Jensen W7HCA \$3.00 to have membership cards made. Carried. Paid the \$3.00

Discussion on Incorporation papers as received from the Attorney Generals office. Articles read and approved by majority.

Motion by George Howard W7UUW to change name of Shy-Wy radio Club to Shy-Wy Radio Club Inc. after the incorporation papers approved. This to be voted on in December meeting.

Motion made to have Lou Springer W7YWW to buy materials for new bulletin board. Carried.

** 15 NOVEMBER 1956 **

The SHY WY Radio Club Inc was incorporated. A letter from Arthur Fisher, Assistant Attorney General for Wyoming sent 2 certified copies of the articles of incorporation and a cover letter. The fee for the 2 copies was \$3.80 and was to be sent to the Secretary of State.

** 5 DECEMBER 1956 **

Talk by President Gil Dugger W7MNV on the new Articles of incorporation.

Bill was presented by State of Wyoming for publication of Articles of Incorporation in the amount of \$18.78 . Motion made by George Howard W7UUW to pay this amount. seconded. Voted unanimous.

Bulletins and letters read by president Gil Dugger W7MNV.

Discussion of Jim Masterson W7PSO for SCM for Wyoming. Motion by George Howard W7UUW that Cheyenne Club back Jim Masterson for SCM for the State of Wyoming. Seconded by Don Jensen W7HCA. Voted unanimous.

License plate discussion. Letter to be written to Jim Masterson W7PSO on license plate discussion. Harvey Robertson W7HRM talked to Jim Masterson W7PSO on 75 meters on the license plate deal so all interested amateurs would get the information.

George Howard W7UUW telling about his departing for Spain and Gerrald Beard W7EGS is departing for Japan.

** 12 DECEMBER 1956 **

A letter from Arthur Fisher, Assistant Attorney General for Wyoming indictes he had combined and rearranged portions of the club constitution and by-laws. He furnished the original and 4 copies to the club. Mr Fisher appears to have done a good part of the work of getting the club incorporated. The total cost of incorporation including the fee listed in Nov was \$29.78.

***** YEAR 1957 *****

** 2 JANUARY 1957 **

Reading of bulletins by President Gil Dugger W7MWS.

Secretary advised that the club still owed state \$1.00 to complete the Articles of Incorporation. Motion made by Len Slater W7MWS, we pay the \$1.00 seconded. Voted unanimous.

Gene Stewart W0WBC of Denver was introduced and talk on the RACES program was made by Mr Stewart. A Lengthy discussion followed the talk.

** 6 FEBRUARY 1957 **

Jim Masterson W7PSO SCM visiting from Casper.

Reading of bulletins by President Gil Dugger W7MNV.

Motion made to send to the ARRL for the net directory for the Shy-Wy Radio Club per official bulletin 584.

Talk made by Jim Masterson W7PSO SCM from Casper. Will try to organize state and local RACES net. Need check in Wyo net Monday, Wednesday, Friday, 3610 at 1830 MST. Consideration being given to changing PENET (Pony Express Net) frequency and time. Jim Masterson W7PSO will send poll and advise.

SCM Jim Masterson W7PSO needs news for QST.

Discussion on having meetings twice a month.

** 6 MARCH 1957 **

Reading of bulletins etc.

WYO-CW net needs check-ins from Wyoming.

Station license returned due to lack of trustee on form.

Motion to telephone FCC's Mr. Cline concerning trustee by Hal DeBacco W7YJG, motion seconded by Len Slater W7MWS, Carried.

Motion to make John Roberts State Radio Officer and Civil Defense Director Rogers and the Wyoming Governor as honorary members of the Shy-Wy radio club. Seconded by Ed Hallen W7OBC, Carried.

Motion was made by Hal DeBacco W7YJG that Mr John Hayes W7CGK be elected trustee for the Shy-Wy radio club. The term of office to be for the duration of the club radio license or until such time as another trustee is elected. The motion was seconded by Len Slater W7MWS. Carried.

Discussion as to organizing a local RACES net. Don Jensen W7HCA appointed EC for Cheyenne.

** 21 MARCH 1957 **

The President Gil Dugger W7MNV made an announcement that we would now have 2 meetings per month in accordance with the voting of the previous meeting. The regular meeting on the first Wednesday of every month and the third Thursday of every month.

Marion Neary, W7KFV gave a short talk about his departure for San Jose, California and his enjoyment in knowing so many boys in this area. A 3KW engine generator plant also

some surplus gear was donated by Marion Neary W7KFV to the Shy-Wy radio club. A round of applause was given Marion Neary W7KFV.

Discussion on the local RACES net to be held temporarily on 3830KCS at 1900MST with Don Jensen W7HCA net control.

Further discussion on the RACES net program as a whole.

** 23 MARCH 1957 **

A certified true copy of the club minutes regarding the election of a club station trustee was sent to the FCC.(Signed by Gil Dugger W7MNV and Harvey Robertson W7HRM)

** 3 APRIL 1957 **

The meeting was called to order at 2000 MST by the President, Gil Dugger W7MNV.

ARRL bulletins were read by Gil Dugger W7MNV.

Motion made to open nominations for club officers for the year ending April 1, 1958 by Hal Debacco W7YJG. The motion was seconded by Don Jensen W7HCA and was carried by the members present.

There was some question as to the constitutionality of election of officers by the members present, but since there were ten voting members present it was ruled that a quorum was in attendance and the nominations proceeded.

The following were elected. President Gil Dugger W7MNV, Vice President Len Slater W7MWS, Secretary-Treasurer Richard "Dick" Martin W7BLW.

Unfinished Business:

Club license was discussed. Dick Martin W7BLW to contact Jack Hayes W7CGK, the Trustee to arrange for making application for station license.

Bulletin board for club house was discussed. Ed Hallen W7OBC to purchase the board and submit bill to club for payment.

Local RACES net was discussed. It was decided to hold local net practice sessions on Monday nights at 1900 MST on 3990 KC. This is a phone net with Don Jensen W7HCA as net control.

Use of emergency 115V ac generator was discussed. State Civil Defense has promised a generator for our use. The generator which was donated to the club by "Trapper" is to be used for Field Day activities and for other such purposes as decided by the club.

New officers installed.

There being no further business to transact, the meeting was adjourned at 2200 MST by the President.

Dick Martin W7BLW Secretary-Treasurer

** 1 MAY 1957 **

17 persons present including 2 visitors: Al Pope of National Electronics Supply - Cheyenne, Joe Prochaska W7BHH of Casper Radio Club.

Ed Halen W7OBC gave short talk on Civil Defense as related to CAP. General discussion about 2 meter operation for a local CD net. Harvey Robertson W7HRM brought a communicator and gave a demonstration.

Frequencies available for Civil Defense work were discussed in general.

The Wyoming Pony Express net will move from 80 meters to 40 meters on June 1, 1957.

Don Jensen W7HCA (net control - local net) suggested the net operate on 40 meters instead of 75 meters. It was discussed and all concurred that the local CD net meet on 7220KC at 2000 hrs every monday.

Gil Dugger W7MNW reported that the club antenna had been cut down by vandals. All members volunteered to act as a work party on Saturday may 4 1957 to repair the antenna and to hookup the Z match in the station.

Lynn Frank K6JUV volunteered to furnish sufficient copperweld wire for the antenna and three insulators. Al Pope of National Electronic Supply volunteered to furnish 50 feet of supporting cable. Paul Wakefield W7BTI volunteered to climb the poles and erect the antennas.

ARRL bulletins were read by Gil Dugger W7MNW.

Motion was made by Lou Springer W7YWW that an entertainment fund be started. Motion was not seconded.

Motion was made by Lou Springer W7YWW that an entertainment committee be appointed. Motion seconded by Hal Debacko W7YJG. Vote was carried unamously. Paul Wakefield W7BTI was appointed by president Gil Dugger W7MNW, to be

chairman of entertainment committee. Other members of entertainment committee to be chosen by Paul Wakefield W7BTI.

** 25 JUNE 1957 **

The annual Corporation report was made to the state of Wyoming.

** 4 SEPTEMBER 1957 **

Discussion as to what should be done about club station antenna. It was decided to purchase a new Hy-Gain trap (Horizontal) antenna. A motion to this effect was made, seconded and carried. Harvey Robertson W7HRM was authorized to purchase the necessary antenna equipment consisting of: 1 set of Hy-Gain 7 MC traps, 110' #14 ga copperweld wire, 1 center insulator.

Antenna to be installed on Saturday September 21, 1957 by the following club members: Harvey Robertson W7HRM, Len Slater W7MSW, Don Jensen W7HCA, and Dick Martin W7BLW. It was decided that Harvey Robertson W7HRM check the Z-Match at his home station.

Dick Martin was authorized to purchase a microphone plug and material to make the xtal calibrator for receiver operation.

** 2 October 1957 **

Discussion of TVI.

Discussion of RACES regional net operations being poorly handled. 3920 KC Pony Express net meets at 8:30 Sunday morning. W7AMV (Casper) and Len Slater W7MWS alternate as Net Control.

** 7 OCTOBER 1957 **

The ARRL annual report said that the club had 7 RACES members, 1 gas engine generator, 1 mobile unit and 3 SSB stations. All others are CW or AM stations.

** 21 NOVEMBER 1957 **

ARRL correspondence read by Secretary.

Letter from FCC dated oct 25,1957 was read by president regarding operation of different stations in RACES operation whereby several stations may operate in a net using the same call letters followed by a numerical designator.

Letter from Vincent T Kenney of US Civil Defense Amateur Radio Alliance thanking Gil Dugger W7MNV for his letter outlining a need for additional RACES frequencies.

It was pointed out that a new list of Cheyenne Amateurs should be compiled by the secretary.

Dick Martin W7BLW volunteered to pick up a Conel-Rad receiver from highway department. This receiver was promised to us some time ago. There was a discussion concerning the use of 2 meters for local net.

It was suggested that information be obtained by any or all members which would help in setting up a project to build as a club activity,

2 meter transceivers for portable use. Lou Springer W7YWW volunteered to obtain information on some surplus gear which might be used on 2 meters.

It was decided to attempt to get 10 ARRL memberships, either new or renewals, so that we could take advantage of the affiliated ARRL club deal of obtaining memberships at \$3.50 thereby helping the club treasury by 50 cents per ARRL membership application. 1 new and 4 renewal membership were signed up at the meeting.

** 3 December 1957 **

The club secretary sent in \$17.50 for 5 ARRL memberships (and QST subscriptions).

** 4 DECEMBER 1957 **

Hal DeBacco W7YJG suggested that a card be sent by the club to Lou Springer W7YWW who is in the hospital. A card signed by several members of the club was sent to Lou Springer.

Minutes of previous meeting were read and approved. Treasury report was read and approved. Received \$4.00 from Harvey Robertson W7HRM for renewal membership in ARRL.

The matter of state legislation to provide amateurs of Wyoming with "Call Letter" license plates was discussed. It was generally concluded that before such legislation might conceivably be passed, We as amateurs must show by active participation in RACES and ARES that we can provide effective communications in time of emergency or disaster.

The use of 2 meters for local CD net was again discussed. Hal DeBacco W7YJG will Provide a schematic for a 2 meter transceiver and Dick Martin W7BLW will have copies made for distribution to club members. If several portable and fixed 2 meter stations could be put into operation, a demonstration for Civil Defence and state officials might be arranged to prove the effectiveness.

Gil Dugger W7MNW will at a future meeting outline the workings of CD nets. It was decided to reactivate the local CD net drills. This is a phone net and will be held on Friday night at 2000 hrs (8:00 PM) MST on 7270 KC. Don Jensen W7HCA is net control and Hal DeBacco W7YJG is alternate NCS. It was suggested that during the drills, information of station activities be passed on to Gil Dugger W7MNW.

Gil Dugger W7MNW has a Friday night schedule with Jim Masterson W7PSO SCM and he will relay the station activities to him for publication in QST.

The club officers were: President Gil Dugger W7MWS, V President Leonard Slater W7MNW and Secretary-treasurer Richard Martin W7BLW.

***** YEAR 1958 *****

** 19 FEBRUARY 1958 **

Interference was getting to be a problem at this time. The problem was being caused mostly of the two-way radio equipment and some ham equipment. Hams usually had TVI filters on their equipment.

(Note: TV sets at this time had a 21 MHz IF frequency. 15 meters signals would get into nearby TV sets and wipe out reception on all channels. 6 meter operation usually wiped out channel 2. Jim W7NE)

** 3 MARCH 1958 **

ARRL annual report sent in.

** 5 MARCH 1958 **

Attendance 15

Bulletins read

Old business

Operation Alert 1958 dates announced and bulletin regarding RACES participation read. Election of Officers. President Hal DeBacco W7YJG, Vice President Bob McMullen KN7BZC, Secy/Treas Lou Springer W7YWW.

Motion that club members listed above teach classes at the YMCA was Carried.

** 20 OCTOBER 1960 **

All non-members were invited to join club.

Luke McIntire K7KLN made a report on YMCA radio class. \$6.50 for non-YMCA member, slightly less for a YMCA member.

Glen Blackburn K7NQX made report on the VA hospital amateur radio station. Not much new information was available as hospital manager was on vacation.

George Algeo K7HAW was not able to be at meeting so no report could be made on the 1962 hamfest plans.

PO box has been rented. Box number is 52 main post office. ARRL to be notified of address change.

A discussion was made on 2 meters.

A discussion was made on the monday nite net.

A code practice session was brought up. The Naval Reserve was brought up as a possible location for code practice. A motion was made that someone contact the Naval Reserve on meeting there and also use of code practice room. Frank Wolf W7EUZ made motion,

Jim Krebs W7TPS seconded, motion carried. Luke McIntire K7KLN to contact someone at Reserve unit on the above.

** 3 NOVEMBER 1960 **

Bulletins read by Dick Martin W7BLW.

PO box rent paid (\$3.00).

YMCA class information was read from YMCA newsletter. Regular YMCA members fee \$5.50, Non YMCA member \$8.50 .

Luke McIntire K7KLN made a report on materials for YMCA classes.

No info on code practice at Naval Reserve yet.

Report was made on Monday night (CW) net.

Short discussion was made on RACES and AREC by Dick Martin W7BLW and Harold Kirlin K7HKD.

Glen Blackburn K7NWX made a report on VA Hospital ham station. Some equipment is now on order. More information will be given when it is available.

Short discussion was made on 1962 hamfest. Haskell Cohen K7DSK made a motion that we have an interim chairman to make our desire to have the 1962 hamfest in this area known. Seconded by Bill McCracken W7QPV. Carried.

George Algeo K7HAW was appointed as interim chairman for 1962 Wyoming hamfest.

Discussion was made on auto plates (ham call).

Program by Harold Kirlin on 2 meter operation in the county. Coverage with 5 watt transmitters and various antennas. Types of antennas used and the results obtained.

** 17 NOVEMBER 1960 **

Luke McIntire K7KLN gave a report on classes at YMCA.

Naval Reserve invited us to hold code classes any night except Tuesday.

Harold Kirlin K7HKD gave a discussion of 2 meter activity.

A discussion of the compatibility of FM and AM 2 meter operation.

Bill McCracken W7QPV brought up TVI complaint. Citizen Band operator using souped up transmitter. There were no amateur TVI complaints.

George Algeo K7HAW resume of next years picnic and assistance offered by the Laramie club. Discussion post-poned to next meeting.

Casper is going to put a KW on 2 meters is reported by Hal DeBacco W7YJG and Harold Kirlin K7HKD.

Harvey Robertson W7HRM gave a report on SS conditions.

Harold Kirlin K7HKD gave a discussion of H F tube substitution.

Harold Kirlin K7HKD passed out applications for membership in the Amateur Radio Emergency Corp. (AREC)

Harvey Robertson W7HRM discussed the results obtained with his new antenna.

** 1 DECEMBER 1960 **

ARRL communications read.

RACES and AREC was discussed.

Misc discussed.

YMCA class was discussed.

Monday night C.W. net was discussed.

Discussion of UHF band operation 420, 1230 MC etc.

Discussion of ham activities in local area.

** 15 DECEMBER 1960 **

YMCA school report.

Monday nite code net.

Harold Kirlin K7HKD suggested a 2 meter net.

Naval Reserve code anytime except Tuesday nites.

Motion by Harvey Robertson W7HRM that the CLF&P Company room be retained for the coming year. Seconded by George Algeo K7HAW, Carried.

Program activities committee Ray Swanberg K6LWR and Chairman Frank Wolf W7EUZ.

Discussion of MARS membership. Ray Swanberg K6LWR to check on how membership in local MARS works.

Report on club ham list.

Motion that club pay for paper and postage for club paper by Hal DeBacco W7YJG and seconded by Luke McIntire K7KLN, carried.

Suggestion was made that name cards be made for each member by Al Fortenberry K7NZI. Motion was made that a host be appointed, carried. Host to get name cards.

Hal DeBacco W7YJG made a motion that club station license possibly be transferred to one of the life members. Seconded by Luke McIntire K7KLN, carried.

V.P. Made a motion that discussion be stopped until next meeting, carried.
Club Officers were: President Dick Martin W7BLW, Vice President Bill McCracken W7QPV, Secretary-Treasurer Jim Garrison K7EWK.

Club Meetings were held at the Cheyenne Light Fuel and Power Co.

***** YEAR 1961 ***** "OSCAR 1 satellite launched in December."

** 5 JANUARY 1961 **

Treasurer's report \$169.13 .

A report on the Laramie RACES net was made. Communications received by Lou Springer W7YWW. By Harvey Robertson W7HRM state RACES net in Casper Wednesday nights 3920KC.

TVI report made by Lou Springer W7YWW.

Program committee report made by Bill McCracken W7QPV.

Host Al Fortenberry K7NZI made report on identity cards.

Discussion was made of club paper.

MARS program (SAC) was reported on by Ray Swanberg K6LWR.

MARS program (CONAC) was reported on by Wally Crammond K7AUI.

Ray Swanberg K6LWR suggested each member bring another ham next meeting, also that application forms may be made that can be given to possible members.

Luke McIntire K7KLN made a motion that Al Fortenberry K7NZI and Ray Swanberg K6LWR be chairman of the membership and host committee. Haskell Cohen K7DSK seconded. Carried.

Lizette Wolf W7HDS asked for information on hams coming in or going out of Cheyenne.

(Note: Lizette Wolf W7HDS put out the Cheyenne Ham list for many years. It was typed on a stencil and run on a duplicating machine. It came out once a year. I think she put out the 1971 list before retiring to Arkansas. Jim W7NE)

Code practice at Naval Reserve was discussed also code certificate was shown by Lizette Wolf W7HDS.

Club call K7AYF was discussed. Haskell Cohen K7DSK suggested we find a place for the club station. Haskell Cohen K7DSK also volunteered to be in charge of the project.

A motion was made by Al Fortenberry K7NZI that the honor of being the trustee of the club station be presented to the life members and if they decline that they notify the club. Seconded by Ray Swanberg K6LWR, Carried.

Monday nite net was discussed. Phone frequency for local net to be 3825 KC.

Let everyone know you're member of SHY-WY radio Club.

Ray Swanberg K6LWR made a motion that Frank Wolf W7EUZ be appointed as historian for the club. Seconded by Hal DeBacco W7YJG, Carried.

** 19 JANUARY 1961 **

Jim Garrison K7EWK Secretary-Treasurer being absent, Lizette Wolf W7HDS took this office for this meeting.

Not having the minutes of the January 5th meeting on hand, notes taken by Lizette Wolf W7HDS were read.

Old Business:

Code practice at USNR, Luke Mc Intyre, K7KLN, Chairman for these arrangements, left for Okinawa, did not arrange for committee to meet with Dave Wood K7MME, chief radioman at USNR.

Suggestion by Frank Wolf W7EUZ for code practice one half hour before club meetings. Al Fortenberry K7NZI offered to serve as new chairman.

ARRL Bulletin No.753 read by President.

Letter from new ARRL Rocky Mountain area director Carl Smith, asking that new Assistant Director for Cheyenne be appointed by club, although he recommended present holder of that office Harvey Robertson W7HRM. Asked for names of present officers of the club.

Club members present approved Harvey Robertson W7HRM to continue in office.

Harvey Robertson W7HRM read letter from Carl Smith Rocky Mountain ARRL Director, asking the club to vote on ARRL asking the FCC for Amateurs to share 160 meter band using 20 watts output with LORAN. Members voted against this change.

Program Chairman Frank Wolf W7EUZ announced future attractions: Feb 2, Movie furnished by K6LWR, Feb 16, Modifying the 10A exciter by Harvey Robertson W7HRM, Mar 2 Linear Amplifiers by Ed Zent W7KUB.

Harold Kirlin K7HKD, Chairman for the 1961 Field Day, asked to present his plans. He suggested having several small groups operating independently. Club voted for one club unit. Chairman appointed Frank Wolf W7EUZ and Harvey Robertson W7HRM as location committee. Vote to have special QSL cards printed, Carried.

Two visitors from Casper present, Bob Downs W7VTB and M Funky W7NVI.

Amateurs Glen Blackburn KN7NQX and Norman Halley ex W9KFU have been advised they passed the General exam in Denver. The latter joined the club tonight.

Total number present 20.

January News sheet and MARS circular passed.

Motion for business meeting to close accepted.

Interesting and instructive talk on "Two-way communication systems" by Al Fortenberry K7NZI, showing three models of G E systems.

Meeting closed at 10:00 PM and many retired to Mayflower Cafe for coffee.

Note: No treasurer's report given. \$3.00 cash attached to these minutes for one years dues by Norman Halley ex W9KFU.

** 23 JANUARY 1961 **

A letter to ARRL RM director indicates the meeting were being held at Cheyenne Light Fuel and Power Co.

** 2 FEBRUARY 1961 **

Communications read by president.

Club license trustee moving out of state. License expires April 26, 1962.

Al Fortenberry K7NZI contacted Dave Woods at Naval Reserve about code room. President and Jim Krebs W7TPS met with Commander Woods and secured approval to use code room on Monday and/or Friday nites.

A discussion was held on code practice. Al Fortenberry K7NZI made motion that the club use the Naval Reserve facility. Seconded by Frank Wolf W7EUZ, carried.

Al Fortenberry K7NZI made a motion that we set time and day as 7:30 PM Friday and at later date chairman of program can also us Monday if need be. Seconded by Ray Swanberg K6LWR, carried. First class will be held 10 feb 1961.

Discussion was held on YMCA classes.

Visitors were introduced by Al Fortenberry K7NZI.

Lizette Wolf W7HDS asked for assistance in locating local hams.

Nothing new on field day.

Report on power line noise was made by Bill McCracken W7QPV. Comments were made by several others. Report noise to Fred Salfisberg or his assistant at CLF&P.

** 6 FEBRUARY 1961 **

A Thank you letter was received from George Reid YMCA general Secretary. He invited the club to have classes there again.

** 16 FEBRUARY 1961 **

Minutes read and approved.

Treasurers report read.

President read letters form ARRL, YMCA and RACES.

Field day was discussed and Harold Kirlin K7HKD was in charge of setting up shifts of operators.

Ed Zent W7KUB and Jim Krebs W7TPS volunteered to set up the antennas.

Field day to be held about 18 miles north of Cheyenne in old school building.

Club BY-LAWS read by President.

Code practice at USNR discussed.

Harvey Robertson had a talk on the 10A SSB exciter.

** 2 MARCH 1961 **

Minutes read and approved.

Sec-Treas report made.

Nothing new on field day.

Club election was held. New officers are President Richard Martin W7BLW, Vice President Ed Zent W7KUB and Secretary-Treasurer Don Druce K7EVA.

Discussion of C D net and C D equipment, also club station K7AYF location and trustee.

Haskell Cohen K7DSK reported on new location for club station K7AYF.

Dick Martin W7BLW gave a talk about ARES-RACES. The CD equipment and the net were discussed.

Code practice at USNR discussed.

Ray Swanberg K6LWR moved for adjournment, seconded by Lizette Wolf W7HDS.

Ed Zent W7KUB gave a talk on Linear Amplifiers.

** 16 MARCH 1961 **

Minutes read and corrected then approved.

Treasurer's report read.

Communications read- 4 ARRL cards.

Field day report- nothing new.

Code practice class discussed.

Club station location (new location) discussed.

QSL cards for K7AYF discussed. Price of cards in large numbers was brought up.

Discussion of club participation in the Western Plains Fair. It was approved with president Hal DeBacco W7YJG to determine details of operation.

Motion by Haskell Cohen K7DSK that SHY-WY radio participate in Western Plains Fair with an exhibit type and size to be determined by President.

"Alert 61" letter read by President.

Hal DeBacco W7YJG made motion to close meeting. Seconded by Don Druce K7EVA. Carried.

** 6 APRIL 1961 **

Meeting held at State Highway Building.

Minutes of previous meeting read and approved.

New officers installed.

Frank Wolf mentioned that it was the 20th year for the club. (SHY-WY)

ARRL bulletin No 792 read, concerning RACES operation for April 26 thru 30.

ARRL bulletin No 793 read, concerning 30 minute Conel-Rad alert at 2100 GMT (1400MST) April 28.

ARRL bulletin No 794 read, concerning ARRL DX list.

ARRL FLASH read urging cooperation on Conel-Rad alert for April 28.

Dick Martin W7BLW presented bill for \$3.00 for PO box rent.

Dick Martin Presented bill for \$.80 for repair of club code oscillator.

New Novice licenses announced: Preble Phelps KN7OVD, Lumis Booth KN7OWU, Fred Hoffman Sr KN7OWX, Gene Brooks KN7OWV, Bruce Almich KN7OWT, and Jerry Janke KN7OWY.

Al Fortenberry K7NZI resigned as Host and nominated Fred Hoffman Sr. KN7OWX as successor. Position accepted by Fred Hoffman Sr. KN7OWX.

Lou Springer W7YWW reported one TVI complaint. This was caused by a neon sign at Salisbury's and the trouble has been remedied.

Next meeting to be held at Highway building unless notified otherwise.

Haskell Cohen K7DSK gave a report on new location for club station. Nothing definite as yet, however situation favorable to getting room in the old Airport building. Apparently only a matter of time until space is available.

Line noise interference discussed. Wally Cramond K7AUI said he had called the power company and the engineer in charge promised to investigate the problem. Lou Springer W7YWW, Harold Kirlin K7HKD, and Wally Cramond K7AUI appointed to follow up on the complaint.

Report on Western Plains Fair by Lizette Wolf W7HDS. To Be at Frontier Park Pavillion, August 18 thru 23, August 20 thru 23 for exhibits.

We have a booth reserved. Approx 15 by 15 square. Prize offered for best exhibit. Small fee or no charge for all for non commercial booth.

Suggested message traffic to Wyoming with 2 meter relay from location. Several suggestions for decorating booth were also mentioned and details to be left to committee or special meeting later. Committee as follows, Hal DeBacco W7YJG in charge of equipment. Harold Kirlin K7HKD and Ed Zent W7KUB in charge of photography. Lou Springer W7YWW in charge of printing. Gene Shepard K7LBR will take care of MARS.

Nothing new on Field Day. Wally Cramond K7AUI volunteered to check the noise level at Groggins School, north of town.

One new member reported for AREC. It was suggested that Harold Kirlin order AREC decals.

Lizette Wolf W7HDS learned via the Pony Express ne that a new club is being organized in Laramie. It was suggested we find out who the officers are. (via Pony Express)

Harvey Robertson W7HRM is appointed as publicity agent.

Mentioned by Dick Martin W7BLW that dues are due and payable as of 1 April.

Bill McCracken W7QPV offered a 1 KW transmitter for club use.

Dick Eversall (Civil Defense) has supplied the club with some 2 meter halos.

Meeting adjourned at 2200 MST after which Dick Eversole (Civil Defense) showed slides and talked on Civil Defense.

** 15 APRIL 1961 ** "Special Civil Defense Meeting".

Held in conference room of Wyoming Highway department building, called by Hal DeBacco W7YJG, for organization of RACES operators in the coming Civil Defense "OPAL 61".

Lizette Wolf W7HDS recording secretary contacted 48 amateurs in the vicinity and attendance at this meeting was 18. 16 amateurs and 2 guest.

Meeting opened at 1510 by Hal Debacco W7YJG with remarks on: 1. Reason for meeting to get names and phone numbers of amateurs who will operate, number of stations now lined up. 2. Can get off from work to participate. 3. Forms and "Q" signs to be used. 4. Need for 2 meter rig for Red Cross office.

Dick Martin W7BLW asked that information about local CD set-up be discussed, said that 2 meter station located at Police building would not be operating all night Friday, April 28th.

Glen Blackburn K7NQX remarked that the Veteran's Hospital could be covered by Norman Halley K7OMW with active station there now, if one was needed.

Dick Eversall State Radio RACES officer, was introduced and took the floor, discussing 1. Actual OPAL 61 operation will be from 2100Z, friday April 28, thru 1900Z Saturday, April 29th. Total of 22 hours. Races operation would possibly be from 2100Z to 0700Z Friday April 28 and 1300Z to 1900Z Saturday April 29th. Total of 16 hours. The time may be changed later.

1. Region- On 80 CW. Club Station K7AYF at CD HQ, Dick Martin W7BLW operator.

2. Cheyenne City net on 144MC, 145.35MC Operating with Harold Kirlin K7HKD and Lou Springer W7YWW mobile . At City Police dept, Haskell Cohen K7DSK. At Airport, Hal DeBacco W7YJG and Evelyn DeBacco W7YWY. At CD HQ Frank Wolf W7EUZ and Lizette Wolf W7HDS.

3. State Net, 3537.5KC (7116KC Alternate). Operators include Harvey Robertson W7HRM, Bennie James W7SQT, Bud Roberts W7HLA and possibly Ed Zent W7KUB. Operating time 2200Z to 0700Z Friday, April 28 and 1500Z to 1900Z Saturday April 29th. 4. A 10 Meter phone Transmitter/Receiver will be set up at W7HLA location, but operators not definite. Also a 10 Meter Transmitter/receiver at CD headquarters.

5. Area net on 3920KC (_____ KC alternate). Operators to be George Algeo K7HAW and Glen Blackburn K7NQX. Did not show time of operation. Will make contacts with Area Control in Laramie, Wright W7HH

At this point Dick Eversal State Radio Officer introduced Capt. Jack Hawk, State CD operations officer of Cheyenne, who spoke on overall "OPAL 61" operation, including the following:

1. Nation now at critical stage of "cold war" with situation in Laos.
2. Pretty positive that both U.S. and Russia will use manned bombers.
3. Cheyenne is in region #6 with headquarters in Denver. Cheyenne will not be considered bombed in OPAL 61 but Denver will. A very elaborate setup has been installed in Denver at great cost, which will be handled by Amateur RACES nets.
4. OPAL 61 plan for the nation is for federal Government to notify Military and all states of possible alert early Friday morning, April 28th. War will be declared later this same (Friday) morning, with attack expected around noon. (Checkerboard code attack). Following hour one of total confusion, three simulated bombs to fall in this area, possibly at 1900Z, 2100Z and 2300Z. State radio fallout units will be collected and RACES State Nets alerted. Fall out tests will not be ready until about 0200Z Friday evening. There are 47 Radio fall out stations through out the state. Tests are made by meters. All locations and density is plotted by CD on fall out maps. Stations will operate all 22 hours of OPAL 61 operations. Attack briefing here at 1500Z Saturday April 29th. Message handling should be finished about 1900Z Saturday, April 29th, Final messages to pertain to bursted water mains, power lined down, etc, as covered by roving mobile units.
5. Regarding Conel-Rad: (1) All radio and TV stations throughout the nation will leave the air immediately when Conel-Rad is called. EXCEPT those on Conel-Rad frequencies of 1240KC and 680KC. Example KFBC. (2) Governor Gage will be between Casper and Medicine Bow in Highway Patrol car. Will give live broadcast on Conel-Rad broadcast thru facilities of KFBC.

6. Civilian radio service stations and mobile units, with 2 meter amateur stations at their Net Control points to relay messages to CD headquarters.

(75 such outfits listed with Lizette Wolf W7HDS in 1953, including both Warren Hereford ranches, 18 Taxicabs, Cook-McCann Concrete, M&B Drilling Co., Morrison Knutson Co etc.) Would need too much organization for OPAL 61 run but might include them next year. Lou Springer W7YWW said that a Mr. Vaughn had contacted him and offered full co-operation to the amateurs.)

7. Each of the four sources of communications, (1) RACES, (2) Telephone and Telegraph, (3) Radio BC and (4) Two way communications needs one man in City, County and State set-ups. Not all these offices filled at this time. County Director Glen Oliver will be replaced. City Director here is Baldwin.

8. Message handling using amateur pre-amble discussed. CD message form passed and explained by Dick Martin W7BLW and Dick Eversal (CD). GMT will be used throughout. All messages at CD Headquarters will be typed, with copy for RACES operators. No word check will be used, but priority of message (urgent, important, general business and answer requested will be used on CD form. More on the message handling will be taken up at a later meeting.

Meeting was turned over to Hal DeBacco W7YJG who asked for a volunteer group of those present for antenna erection for 2 meter stations Saturday, April 16th at 2030Z. Wally Cramond K7AUI, Frank Wolf W7EUZ, Harold Kirlin K7HKD, Lou Springer W7YWW and possibly Ed Zent W7KUB volunteered.

There may be other CD meetings before OPAL 61. Hal DeBacco W7YJG thanked all who attended this meeting.

Dick Eversal (CD) passed out new Wyoming road maps, RACES booklet MP-13 and Advisory bulletin no 122, attachment 2.

Meeting adjourned at 0600Z

Note: Stations operating on 10 meters at (1) State Net and (2) CD Headquarters, not definite and were missed by secretary, Sorry.

Respectfully submitted by Lizette Wolf W7HDS. All correct phrasing and spelling purely accidental.

** 20 APRIL 1961 **

Meeting was held at State Highway Building.

Meeting opened at 2030.

Minutes of previous meeting read and approved after correction.

Wally Cramond K7AUI reported that the noise level at the Groggins school was normal on all bands. It was decided that would be a good location for Field Day this year. It was suggested that a Windom antenna be used for all bands except 6 meters and a beam be put up for that band.

Lou Springer W7YWW reported no TVI complaints.

Reported that 2 meter antenna were installed at the Old Airport building, Police Station, State CD Headquarters and up at KFBC's transmitter ready for OPAL 61. The rig for the Regional Station has been moved from the Quonset hut into the State CD Building.

Minutes of the CD special meeting were read.

Nothing much new on the Hamfest for 1962.

Western Plains Fair: Some more suggestions on booth decorations.

A letter from the Laramie Club was read. The club is not yet formally organized. Their next meeting is to be April 26.

The 1 KW transmitter has been picked up but has not yet been sorted out. It seems that the VFO was not in sight.

A card from Luke McIntyre K7KLN was read. He is now in Guam and has not been able to get on the air yet.

ARRL Bulletin 795 concerning FCC notices of proposed rule making. One concerning Conditional examinations by persons temporarily out of the U.S. The other Concerning Maritime Mobile operation in the 20 meter band.

ARRL Bulletin No.796 announcing Field Day for June 24 and 25.

A get well card was sent to Harvey Robertson W7HRM at DePaul Hospital. A Baby card was sent to Ray Swanberg K6LWR who has a new baby.

Capt Schriver K8DLG/) from Omaha, gave some publicity getting suggestions which included working with fund drives and Telethons with mobile units. Also mentioned club activities such as visiting commercial stations and communications systems, lotteries, dances, pancake dinners etc. He had several comments on TVI chasing. Omaha club has about 200 members out of 800 hams with about 85 percent attendance to

business meetings and as high as 190 to special meetings. He also mentioned that North Africa calls will soon be out.

At 2100 the meeting was turned over to Carl Smith W0BWJ, area director for ARRL. He stated that the TVI committee is very important and asked the name of the TVI committee chairman be sent to Andy Baully in Denver. He mentioned that a 15 minute tape had been shown on TV stations in Denver, to tell the public about TVI and it's causes and cures.

He warned against policing of Citizen Band by hams unless you also hold a CB license. Mentioned Rocky Mountain Division, VHF Achievement Award, also Junior Achievement Award for ages 18 and under, winners receive a plaque. Division Convention to be held at Ogden Utah, June 16, 17 and 18th.

Board meeting to be held in Los Angeles this year and some of the subjects to be discussed as follows:

- A. Revision of BY-LAWS to give directors a 4 year term instead of two.
- B. Revision of incentive for Extra class license, such as extra operating privileges.
- C. Try to get reciprocal operating privileges with Mexico.
- D. Increase the duties of the Vice Director.
- E. Increase in 160 meter operation.
- F. Petition FCC on NBFM, 1 to 2.5 Bandwidth, and legalities of Fax on AM bands.
- G. Do you want more than a yearly index for QST? How about a 10 year index similar to 11 year index of CQ?
- H. He mentioned that they have a booklet of forms already made so as to be acceptable for printing without rewriting on various publicity tricks.
- I. The ARRL was represented at the Geneva Conference and the Hams were protected by the military.

Meeting adjourned at 2235.

To the Airport Cafe for coffee.

Write Denver TVI chairman: Walt Gardner KOCLJ, 701 Lima, Denver 8, Co. about 6 meter TVI.

** 27 APRIL 1961 ** "Special C D meeting for OPAL 61"

Special CD meeting to discuss OPAL 61.

Meeting held at state CD Headquarters.

Meeting opened at 1905.

16 Hams present.

It was announced that the Conel-Rad alert would begin at 1400 and RACES stations should also observe this and not begin operation until 1431. There was some controversy as to what time should be used. Dick Martin W7BLW stated that the regional net was required to use Zulu time and suggested that others do likewise. Any time written in the text of messages is not to be changed. It was decided that local traffic would go by twenty four hour clock MST. the state message center also wished to use MST and twenty four hour clock.

Wyoming Civil Defense Message forms are to be used exclusively. 2 meter traffic will not necessarily have a regular form as formalizational can be done by the message center. Operators will be furnished typewritten copy or regular state forms, of all messages handled, for our own records. Priority of messages when breaking is as follows: Routine message- 1 break, urgent Message- 2 breaks, emergency message - 3 breaks. No Q signals to be used on 2 meters because of no QRM.

Stations, Operators and hours of operation as follows:

Local traffic to be handled on 2 meters by 5 stations. State CD Headquarters operated by Frank Wolf W7EUZ and Lizette Wolf W7HDS. City CD Headquarters in old Airport Terminal building operated by Hal DeBacco W7YJG, Evelyn DeBacco W7YWY and Don Druce K7EVA. The Police station operated by Haskell Cohen K7DSK, Bill McCracken W7QPV and Preble Phelps K7OVD. At KFBC's tower operated by Harold Kirlin K7HKD and Jerry Janke KN7OWY. Mobile station by Lou Springer W7YWW.

The 2 meter operation will be from 1431 to 2400, Friday and 0600 to 1000 Saturday. All 2 meter operation to be on phone.

The State net to be on 80 meter CW with 10 meter phone as link between state and regional nets. State net station to be at Harvey Robertson's station. This station to be operated by harvey Robertson W7HRM, George Algeo K7HAW, Bennie James W7SQT, Harold Roberts W7HLA Ed Leckman K7IVJ and Glen Blackburn K7NQX.

The Regional station will be at the State CD Headquarters and operated by Dick Martin W7BLW, Jim Krebs W7TPS, Ed Zent W7KUB, Dave Wood K7MME, and Lou Springer. This is a CW net working at about 16 WPM. Frequencies may vary with band conditions.

Dick Eversal (CD), Capt Hawk and Maj Savery gave us a general rundown of the state and national operation of the alert and of what to expect during the Conel-Rad alert.

The meeting closed at 2030.

** 4 MAY 1961 **

The meeting was held at the Cheyenne Light Fuel and Power CO.

Attendance was 12.

The meeting opened at 2020.

Minutes of the previous meeting were read and approved.

Letter read from Bob Goodrich K7KMQ, who is now in Navy "Boot" camp at San Diego. Glen Blackburn K7NQX reported that Bob Goodrich K7KNQ's dad was at the Vet's hospital. It was suggested that a card be sent to Bob and a get well card sent to his dad. Bob's address is SR Robert Goodrich, Co 150 USNTC, San Diego 33.

Al Makus K7DLB was reported as not feeling well and it was suggested he also be sent a card.

List of operators for OPAL 61 was read by Lizette Wolf W7HDS. It was reported that the amateurs were mentioned in most news articles about OPAL 61. It was reported that radio reception is not possible during fallout but Capt. Hawk reported that it would pickup in a few hours. It was the opinion that this would be no problem to RACES operation as most RACES traffic would actually be some time after the bomb hits.

The checkerboard form for air raid warning was discussed and a sample form passed around. It was suggested by Hal DeBacco W7YJG that Dick Eversal (CD) be at a meeting to discuss suggestions for better organization of message handling. Dick Martin W7BLW reported that Colonel Pierson was pleased with amateur operations. The 10 Meter rig caused some TVI.

Field Day: Possibly use the Viking II Transmitter, Bill McCracken W7QPV 75A4 receiver and Paul Wakefield W7BTI's power plant.

Western Plains Fair: August 20 thru 23- 4 days at 13 1/2 hours per day. Construction August 19- Teardown August 24th. Must be someone on duty at all times during 13 1/2 hour period. As a considerable crew and time are required for this operation, a motion was made by Lizette Wolf W7HDS that this be brought up at the next meeting and decide whether to continue or drop this project. Second by Hal DeBacco W7YJG. Carried.

TVI reported in the 600 block of East 21st Street. This was a herringbone on Channel 7 and a 24 hour a day complaint, apparently not ham caused.

Meeting adjourned at 2200 and resumed at the Mayflower Cafe.

** 19 MAY 1961 **

Meeting held at Cheyenne Light Fuel and Power Co.

Attendance 15.

Meeting opened at 2010 .

Minutes of previous meeting read and approved.

Channel 7 TVI report at 21st and Russell. This was investigated by Harold Kirlin K7HKD and Lou Springer W7YWW. Cause of interference was found to be a defective TV booster which had been recently purchased.

Reported by Lizette Wolf W7HDS that her and Frank Wolf W7EUZ, Hert Luckritz W7GCB, Bob Smith K4KAK, Jim Krebs W7TPS, Lou Springer W7YWW and Glen Blackburn K7NWX had handled traffic during the recent snow storm.

No further report on hamshack at Airport Terminal building. Still waiting for room to be vacated.

Suggested by Hal DeBacco W7YJG that himself and Paul Wakefield W7BTI pick up the clubs power plant at the quanset and see what would be needed to put this in operation. Motion by Haskell Cohen K7DSK that they fix the unit if the cost could be kept below \$5.00, if more expense is required, bring estimate to the club for decision. Seconded by Bill McCracken W7QPV. Carried.

Field Day: Harold Kirlin K7HKD drew out a proposal for Field Day station using Signal Sentry and TR switch, 130 ft Windom 40 feet high with tubular twinlead and balun coils for 80 thru 10 operation. Wants to stay with one transmitter class for 3 multiplier.

Motion by Hal DeBacco W7YJG that the club buy 5000 first run QSL cards with 2500 of those second run for the club. Seconded by Haskell Cohen K7DSK. Carried. There will be 500 for Preble Phelps K7OVD, 500 for Harold Kirlin K7HKD, 500 for Ed Zent W7KUB and the remaining 1000 to be kept in reserve for anyone else who may want them. Dick Martin W7BLW will order these from Pioneer Printing.

Western Plains Fair: Motion by Frank Wolf W7EUZ that we table this for this year and make observations of other exhibits for next years planing. Seconded by Hal DeBacco. Carried.

ARRL Bulletin No 798 read concerning project OSCAR, satelite communications equipment for 2 meters.

ARRL board meeting highlights read, full report in QST.

ARRL Bulletin No 799 read concerning board meeting at Anaheim, Calif.

Brought up by Harold Kirlin K7HKD and Hal DeBacco W7YJG that they would like to get more VHF discussion into the meetings, maybe have VHF club in conjunction with regular club or have alternate meetings for VHF. Haskell Cohen K7DSK reported that the BY-LAWS state that one meeting per month be for business and the other meeting be on the perfection of the art. Suggested by Frank Wolf W7EUZ that the business be cut to one half of the meeting and the other half be for technical discussions etc. This was put into a motion by Harvey Robertson W7HRM, Seconded by Ed Zeny W7KUB. Carried.

Meeting adjourned 1203

** 1 JUNE 1961 **

Meeting held at Cheyenne Light Fuel and Power co.

Attendance 10

Meeting opened at 2015.

Minutes of previous meeting read.

Civil Defense: Letter from General Pierson concerning hiring of Mr Wright as Deputy Communications Officer.

ARRL Division Convention to be held at Ogden Utah, June 16, 17 and 18th.

Letter read from Martin Martinson announcing WYOMing Hamfest to be at Deer Haven Lodge in the Big Horn Mountains. Date: July 22 and 23. Part of the activities will be the aution and 2 transmitter hunts.

Thank you note from General Pierson for OPAL 61 operation.

Letter read from Cheyenne Light Fuel and Power Co. stating that the Gas and Electric room will be unavailable after June 1st due to remodeling.

Rocky Mountain Division membership letter read giving a list of ARRL summer activities.

ARRL Bulletin No 800 read concerning DX countries list changes.

ARRL Bulletin No.801 giving international DX Competition winners.

Report from Haskell Cohen K7DSK that we should have room at Airport Terminal Building by the end of June.

Haskell Cohen K7DSK is going to Omaha soon and said that he would investigate the possibility of getting a receiver for the club.

Meeting adjourned at 2105.

No report on Field Day because time ran out.

** 15 JUNE 1961 **

Meeting held at Cheyenne Light Fuel and Power Co.

Attendance 12

Meeting opened at 2000.

Minutes of previous meeting read and approved.

ARRL letter read giving hints on Field Day publicity.

The rest of the meeting was taken up with a discussion of Field Day. Type of antenna system to be used, getting necessary equipment to the site, getting equipment setup, organizing operating crews and tear down.

Meeting adjourned at 2100.

** ?? JUNE 1961 **

Field day operation was held at old school house about 15 miles north of Cheyenne.

There were 8 pages of contacts. Most of the contacts were on 20 meters. 80 and 40 meters were not as good. 15 and 10 meters was not open and 6 meters had only 1 local contact.

** 6 JULY 1961 **

Meeting held at new QTH in old Airport Terminal Building.

Attendance 19.

Meeting opened at 2005.

Suggested by Dick Martin W7BLW that the station license should be modified as soon as possible. Harvey Robertson W7HRM was appointed as the new trustee and will take care of license modification.

Minutes of previous meeting were read and approved.

Bills:

Post Office box rent. \$3.00 pd.

Keys for the shack \$1.40 pd.

Pioneer Printing for QSL'S \$81.96 pd, Club \$16.82, Harold Kirlin K7HKD \$11.99 pd, Ed Zent W7KUB \$11.99 pd, Preble Phelps K7OVD \$11.99 pd, Ira Haws W8KNC \$13.48, \$5.72 to club, \$7.50 to Pioneer.

Keys will be with Dick Martin W7BLW, Haskell Cohen K7DSK, Harvey Robertson W7HRM and the Civil Defense Director.

Suggestion by Wally Cramond K7AUI that a step by step tune up procedure be posted at rig.

Motion by Haskell Cohen K7DSK, seconded by Lou Springer W7YWW that Harold Kirlin K7HKD pick up and check out receiver belonging to Butch Bowie and bring back a recommendation to the club as to buying same. Carried.

Harvey Robertson W7HRM is going to Denver and will check with RAPSCO to see about getting exciter for KW rig.

Motion by Harvey Robertson W7HRM, second by Bill McCracken W7QPV that a letter be written to the school board thanking them for the use of the Field Day site. Carried.

Haskell Cohen K7DSK will check on price of getting power into shack.

Don Druce K7EVA will procure paint.

Haskell Cohen K7DSK suggests that the bulletin board be installed and USED, and recommended that card size be standard.

Meeting adjourned at 2145.

Coffee and donuts donated by Mrs Dick Martin.

** 20 JULY 1961 **

Meeting was held at old Airport Terminal building.

Attendance 10.

Meeting opened at 2005.

Minutes of previous meeting read along with Treasurers report.

Harold Kirlin K7HKD reported on Butch Bowie's receiver, and stated that it was not in very good condition. Motion by Haskell Cohen K7DSK that we do not purchase said receiver. Second by Bill McCracken W7QPV. Carried.

Haskell Cohen K7DSK is going to investigate procuring a receiver from Sam Zuckerman W7FT.

Harvey Robertson reported no contact with crew from RAPSCO in regard to exciter for the KW rig.

Haskell Cohen K7DSK reported an estimate for getting electricity into shack. He had a bid from Simpson of \$70.00, which was supposedly their cost. Motion by Jim Krebs W7TPS that Haskell Cohen K7DSK get 3 bids for running two 20 Amp circuits and have the job done by the lowest bidder. Second by Ed Zent W7KUB. Carried.

Haskell Cohen K7DSK is going to Denver and will try to get the Exciter situation straightened out with RAPSCO.

Letter from Luke McIntyre K7KLN read.

Reported by Dick Martin W7BLW that he has been called to talk to the Cosmopolitan Club and was able to get in a plug for the Hams.

Meeting adjourned at 2105 .

Glen Blackburn K7NQX and Haskell Cohen K7DSK along with other stout members, hauled in the KW and a workbench.

** 4 AUGUST 1961 **

Attendance 12.

Meeting opened at 2020.

Letter read from ARRL concerning annual report which is overdue.

Haskell Cohen K7DSK was unable to find out anything about Bill McCracken's exciter at RAPSCO as he was unable to contact the right person.

Harvey Robertson W7HRM may be going to Denver soon and possible be able to contact RAPSCO about the exciter.

Report by Haskell Cohen K7DSK that RAPSCO has no receiver in out price range.

Harvey Robertson W7HRM has Sam Zuckerman W7FT's BC-348. He has \$30.00 invested and would sell for that amount.

Motion by Haskell Cohen K7DSK that we buy this receiver for \$30.00. Second by Hal Carlson K7MSL. Carried.

Haskell Cohen K7DSK reported another bid on wiring for shack, from Fitch for \$72.50.

Ed Zent W7KUB brought up a question about a picnic this year. Various suggestions, same location as last year, last sunday in August, swap table, auction, transmitter hunt, bring your own chow and refreshments, drawing for door prizes, registration fee of \$1.00 per family to cover expenses.

Motion by Ed Zent W7KUB that we have a picnic. Second by Hal Carlson K7MSL. Carried.

Secretary to check with City Clerk to reserve Community house for August 27 with August 20 as alternate date.

Haskell Cohen K7DSK will check with Hogue radio on some surplus merchandise.

Secretary to contact Lou Springer W7YWW about managing the transmitter hunt.

Suggestions about keys, paid up members only,

All members should be thoroughly checked out on rig before getting a key. This subject is tabled for the present.

Meeting adjourned at 2120.

Harvey Robertson W7HRM donated a pair of 6146 tubes, Hal Carlson donated an Eldico Antennascope, a National NB40L tank and some misc items.

** 18 AUGUST 1961 **

Attendance 15.

Meeting opened at 2010.

Minutes of previous meeting read and approved.

Bills: Harvey Robertson W7HRM \$30.00 for receiver. Dale Electric \$63.00 for wiring. Pioneer Printing \$2.50. Some question about this bill, to be checked before paying. Mentioned by Dick Martin W7BLW that this may be to cover cost of a special zero made up for Harold Kirlin K7HKD. Motion by Lou Springer W7YWW that bill be paid if this was correct. Second by Harvey Robertson W7HRM. Carried.

No contact with RAPSCO by Harvey Robertson W7HRM, Maybe Jim Krebs W7TPS will be able to get a word in down there soon.

Lou Springer volunteered a Knight VFO with suggestion that a oower amplifier be added to it for exciter. Decision on this is awaiting word on Bill McCracken W7QPV's exciter.

City Civil Defense has recently acquired a 5 KW Onan power unit to be installed in basement of old terminal building.

Haskell Cohen K7DSK has received donations from Hogue Radio for the club picnic.

Lou Springer W7YWW wants to talk to anyone for suggestions on arranging the transmitter hunt.

Laramie club has date set for picnic at Veedauwoo on same day as our picnic.

Some discussion on splitting of club and rumors of descension among local hams. It is the opinion of the group that there is no descension.

Wally Cramond K7AUI attended MARS conference at Kansas City and reported that SAC MARS is for military only and that Continental Air Command would take civilians. He also reported that a new Air Force Communications Service is being adopted and Air Force MARS will be transfered to this.

The Divan was picked up from the quanset hut.

Lou Springer W7YWW reported that the engine of the clubs power plant will still run but needs a new carburator. The shellac on the windings of the alternator still appears to

be in good condition. Haskell Cohen K7DSK has an old engine which may have a carburator that will work.

Meeting adjourned at 2113 and turned over to Len Slater W7MWS for program.

** 2 NOVEMBER 1961 **

Meeting opened at 2017.

ARRL bulletin No. 821 read concerning DX list.

ARRL bulletin No. 822 read announcing ARRL sweepsstakes on November 11 thru 13 and 18 thru 20.

Mentioned by Dick Martin W7BLW that SHY-WY club placed 87th in line for Field Day with 265 contacts and 1740 points over Casper's 251 contacts and 1506 points.

Some discussion concerning next years Field day, suggestion that we use battery power and operate low power for high multiplier.

Civil Defense asked Dick Martin W7BLW if we would give one hour instruction to Girl Scouts. It was decided by the group we would show the Telephone Company film "Seconds for Survival and give a demonstration on 2 meters. The 2 meter participants to meet at the shack at 2:30 Sunday.

Concerning the Viking I, in Bill McCracken W7QPV procession: If the club can use the Viking and wants to repair it, it is available for club use provided suitable settlement can be made with RAPSCO. Motion by Harvey Robertson W7HRM that we accept use of the Viking and repair same for club use, contingent to settlement between RAPSCO and Bill McCracken W7QPV. Seconded by Ed Zent W7KUB. Carried.

It was decided that a survey should be made to determine cost of TVI'ing also question of changing final tube to a pair of 6146's.

Meeting adjourned at 2115.

** 17 NOVEMBER 1961 **

Attendance 12

Meeting opened at 2012.

Minutes of previous meeting read and approved. ARRL Bulletin No.823 read concerning third party traffic with Bolivia.

ARRL Bulletin No 824 read concerning Project Oscar.

ARRL membership letter read.

Radio to Dick Martin W7BLW from Don Martin who wishes to have meeting between SHY-WY club and High Plains club to draw up plans for RACES net on 2 Meters. Frank Wolf W7EUZ to take care of getting together 2 Meter operators for this meeting.

Frank Wolf W7EUZ says the club's generator is still in operating condition. Lou Springer W7YWW has a carburetor spotted for the engine and Dick Martin W7BLW has the control box so maybe someday we will have a power plant again.

Harold Kirlin K7HKD would like to see the club have a 2 meter rig for the club station. All present seemed to be in favor of such a project.

Harold Kirlin asked club's opinion of setting up experimental 6 meter link to Casper thru Scottsbluff and was given go ahead.

Lou Springer W7YWW reported some BCI complaints but no one was able to give any calls. One TVI complaint in Sun Valley, caused by overmodulation and cured.

Reported by Harvey Robertson W7HRM that the club has the use of the Viking I and that there should be no trouble with TVI'ing it. It has been left to Harvey Robertson W7HRM and Ed Zent W7KUB as to where and when to work on the job.

At the next meeting we will discuss procuring parts needed to construct the club's 2 meter rig.

Meeting adjourned at 2122 and films were shown.

** 7 DECEMBER 1961 **

Meeting opened at 2012 by Ed Zent W7KUB.

Nothing has been done yet on TVI'ing the Viking.

For the club's 2 meter rig, the following components have been located. 832's, 832 sockets, 2E26's, 12AT7's, 6J6's. No immediate action for construction.

Harold Kirlin K7HKD, Frank Wolf W7EUZ and Lou Springer W7YWW met with Don Wright to set up local RACES net. The High Plains club was not represented at this meeting. Harold Kirlin K7HKD was appointed as Radio Officer and Frank Wolf as Assistant Radio Officer. The local RACES frequency was decided as 145.35 on 2 meters and 50.58 on 6 meters.

ARRL Buletin No. 826 was read concerning additional frequencies on the 160 meter band.

One TVI complaint reported in Homestead Addition, Source of this trouble has not yet been determined.

Power plant engine not yet operational, still in need of carburator.

Meeting adjourned at 2044 following films.

** 12 DECEMBER 1961 **

OSCAR 1 satellite launched and working. Operating on 144.983 MHz with a power output of 100+ milliwatts. Apogee of 275 miles and perigee of 150 miles.it makes an orbit in approximately 92 minutes. Doppler shift approx. 6.5 KC. It has been received at distances of 1400 miles and has a 40 db above noise signal when passing overhead. Orbital information is being broadcast by W1AW and by Voice of America on 4 VOA frequencies.

(NOTE:The average attendance in the spring seemed to be near 20. The average attendance in the summer and fall months seemed to be down to about 12. A lot of time and effort was spent during 1961 on Civil Defense and getting equipment into useable condition. Most of the Civil Defense effort was by civilian hams as most of the military hams were on alert a lot during this time. Jim W7NE)

** Early 1960's **

NOTES from Hal DeBacco W7YJG (now KA7USG) Harold Kirlin K7HKD was a major driving force for VHF in Cheyenne. He Had a kilowatt amplifier on 2 and 6 meters. The 6 meter band did not do very well due mostly to the channel 2 TV. It was used during some of the Field Days and worked well as the Field Day station was out of town and did not cause TVI. There were no repeaters at this time and equipment used by Hams was usually AM. Harold Kirlin K7HKD and Hal DeBacco approached the three hospitals about their communications needs. They agreed to to buy antennas and Heathkit twoers. The Heathkits were assembled by Harold Kirlin K7HKD, Hal DeBacco W7YJG and Lou Springer W7YWW. Harold Kirlin K7HKD was net control, the De Paul Hospital station was operated by Evelyn DeBacco W7YWY, the Memorial Hospital station by Hal DeBacco W7YJG and the V A Hospital by Glen Blackburn K7NQX.

This Civil Defense Net met twice a month then went to a weekly schedule. A total of 36 Halo 2 meter antennas were built by Harold Kirlin, Hal DeBacco and Lou Springer W7YWW and were given to club members who had heathkit Twoers. They were attached to the rain gutters of cars. At this time there were very few commercially built 2

meter radios. The Heathkit Twoer was about the only 2 meter transceiver that was available at a reasonable price. The Gonset and Clegg etc were relatively expensive. The Heathkit Twoer was shaped like a large lunch box and was crystal controlled.

There were 4 hams working with KFBC Radio and TV and 1 with KVWO AM and FM, 2 with Mountain Bell, 2 with the FAA, at least 1 with the Highway dept radio repair and a number of others worked with various electronics programs at the base.

***** YEAR 1962 *****

** 1 MAY 1962 **

The annual Corporation report forms were received. The annual report was sent in shortly there after.

** 24 JUNE 1962 **

Field day produced 12 pages of FD logs. The club station K7AYF operated on the following bands: 80, 40, 20, 15 and 6 meters. There was some SSB operation and the 6 meter band had a very busy day with several sheets of contacts. There were over 150 contacts on 6 meters. Most of these were in southern California. The rest were in Washington, Oregon, Texas, Arkansas and Louisiana.

The club station K7AYF/7 ran 30 watts and received 3153 points.

Some misc receipts, cards etc are the only other information available at this time.

** YEAR 1963 **

No club meeting minutes have been located.

Notes from Hal Debacco W7YJG. Indicates that the club assisted during the distribution of the Salk Polio Vaccine. The net control station was located at the KFBC Channel 5 tower. Pine Bluffs was able to get more vaccine delivered by the Highway Patrol. Harold Kirlin K7HKD operated the Net control station at the TV tower, Glenn Blackburn K7NWX operated from Pine Bluffs and Hal Debacco W7YJG operated from Cheyenne.

** YEAR 1964 **

No club meeting minutes have been located.

Notes from Hal DeBacco W7YJG. Early Moon bounce operations were conducted from the KFBC Channel 5 TV tower area. Most of the time the antennas were stacked 2 meter antennas with a 1 Kilowatt amplifier. The antennas were pointed at the horizon and as the Moon came up it was manually tracked by one person while another operated the radio equipment. Some very large antennas made of wire mesh were also tested.

*** YEAR 1965 thru YEAR 1980 *** There are no minutes available for these years. There are a few letters and newspaper clippings that I received from individuals. Some of these may be added at a later revision (if there is one.)

There was a comment that these minutes were water logged when the person who was storing them got his basement full of water during the 1985 flood. They were then thrown out with other wet items. Another comment said that the old paperwork was getting too big and it was decided to trash it.

I am presently trying to get some people to write up what they remember of the club activities during the 1979 tornado and the 1 August 1985 flood. If there are several people writing about them, I should be able to combine their information and get a pretty good version of how club members helped out during these local disasters. If you remember any of the other less dramatic activities, please write them up also.

** SUMMER 1977 **

Notes from Gregg Wood WB7EIN. Club meeting was held at the Issac Walton League clubhouse, with featured speaker Lew McCoy W1ICP arranged by Jack Hayes W7CGK. Those in attendance were Lew McCoy W1ICP, Jack Hayes W7CGK, Aaron Culver WB7EMA and Gregg Wood WB7EIN. I know there were other club members in attendance but my memory fails me at this time.

** Club Meetings **

Club meetings were held during mid to late 1970's at the Laramie County Community College. Held in the board room. Also during this time I (Greg Wood WB7EIN) took a turn as Vice President of the club with Ed Rybicki W7LYF as President. This was sometime during 1977 and 1978.

*** YEAR 1981 ***

** 23 JULY 1981 **

The club had a visit from Harry Dannals W2HD, President of ARRL. His visit was part of a 10 day vacation trip thru the Rocky Mountain region. The trip is not an ARRL paid trip but part of his plan to visit all of the states. Wyoming is his 39th state. He hopes to

gain first hand knowledge of problems hams have with the league and concerns about Amateur Radio in general.

He covered many topics in ham radio including the 10, 18, 24 and 900MHz and the returned part of the 160 meter band was covered.

He stated that on the international scene Amateur Radio is in pretty good shape.

The long range planning committee at ARRL has an article on page 50 of the August 1981 QST. They have questions about how you would like to see the ARRL and QST magazine structured.

The ARRL is a registered Lobby Group and lobbies for and against federal legislation for laws effecting Amateur Radio.

The government can do little about the Russian "WOODPECKER". Note: This is an annoying "Woodpecker" sounding signal that is constantly moving up and down frequency in the 20 meter band. It may have been caused by Russian long range radar.

** ?? DECEMBER 1981 **

Jack Hayes W7CGK 2 new Harris transceivers for 04/64. Order parts for new decoder. Going to build new one.

Jack Hayes W7CGK to follow up on ID badges.

Jerry Ireland KB7UC appointed Greg Wood WB7EIN, Frank Bumgarner WB7OFK, and Jack Hayes W7CGK as committee for oversee of ID badges.

No need for 120 ft of RG-8 for remote base. I mentioned review of emergency plan.

*** YEAR 1982 ***

** ?? FEBRUARY 1982 **

The 146.88 repeater is still down. Monday it might be fixed.

Dick Wunder WA7WFC had meeting in Casper. 2 Hamfests. Wyo fest during Frontier days. 3rd weekend in July. meadowlark lake.

Wyoming, Idaho, Montana, and Utah) WIMU fest Rocky Mountain Division. at Yellowstone Montana 6, 7 & 8 of Aug.

SAROC at Las Vegas 1,2 & of April.

Mid west (Neb state convention) Kearny Neb. 3rd weekend of March.

Greg Wood WB7EIN RACES county stations about 9 out, still some to go out to other counties.

Greg Wood WB7EIN get group interests to expand radio. Brought up to advertise meetings in trader's and base paper.

Dick Wunder WA7WFC said to have 2 meetings a month. 1 Business and one BS session.

Ron Dertsch KA7JXO appointed for "publicity".

Jack Hayes W7CGK 444-450 MHZ 450 about like 146 but different.

FM thru repeater 449.85 Ft Collins Repeater.

Satellite OSCAR 8 SSB or CW for 2 meters downlink. Dick Wunder WA7WFC 2nd.

** 9 MARCH 1982 **

Meeting called to order at 7:55 PM at the County EOC, as we could not get into the State EOC, by Jerry Ireland KB7UC (Pres.)

9 People present.

Secretary-Treasurer was not present so minutes and Treasurers report not read.

April meeting will be presented by Warren Lufkin W0SII on Antennas and theory. Will also cover May meeting.

Election of Officers will be held at April meeting.

Old Business

146.04/64 repeater is up and operating. The duplexer Cavities need to be cleaned.

New Business

Laramie Peak is on the air.

W8ZR in Florida is looking for Wyoming on 160 meters

Kenwood station is installed and working at County EOC.

Noon luncheon- Numerous people have expressed dissatisfaction with the Bonanza and we discussed where we could meet. All suggestions will be appreciated.

Aaron Culver WB7EMA presented a program on converting CB rigs to 10 meters.

Meeting was adjourned at 9:00 PM

Greg Wood WB7EIN investigating changing meeting to County EOC permanently.

** 15 MARCH 1982 **

Mayor Don Erickson proclaimed the week of March 15 thru 21 as Amateur Radio Week.

Note: On 15 March 1982 the club had been affiliated with the ARRL for 50 years.

** 13 APRIL 1982 **

Election of officers tonight. Nom Pres Morris Ashworth WA7KUE, Vice pres Bob Lewis KA7DKH, Sec Greg Galka KA7IVJ.

Bob Johnson KA7DXK and Bob Dorn KB7SX now on Board of Directors.

Motion KB7SX seconded by Greg Wood WB7EIN for a unanimous ballot.

Next meeting May 11 ARRL Colorado SCM Lys Carey K0PGM also to give club 50 yr affiliation in ARRL.

WARS Sun Apr 18, at state EOC at 1:30 pm

Old Business

147.75/15 Aurora now has "Voice readout". Interesting to listen too.

New Business

147.705/105 multi-mode.

52.5 National calling frequency.

450 area too.

Old Business

28/88 waiting. Remote base has new TX transmitter. 88 getting new repeater by G.E. on peak this summer.

New Business

Frank Bumgarner WB7OKF trustee for 04/64 ???

Warren Lufkin W0SII present program on propagation.

Meeting adjourned 2146

** 14 SEPTEMBER 1982 **

Meeting called to order by Morris Ashworth WA7KUE at the county EOC.

Treasurer's report given by Greg Galke KA7IVF. No cash on hand, \$65.42 in checking and \$226.26 in savings giving us a total of \$291.68

Old business was brought before it's members and the only old business was the case of Ira Powers W7EDX. Ira has been in a wheel chair and has all of his equipment downstairs and needs help to put up antennas, bring the equipment upstairs and hook it all up. Nothing has been done about this yet as Bennie James W7SQT reported. It will be pursued very soon in the near future though.

New Business was then brought before the members.

One complaint was the fact of the operation of the 04/64 machine. The dial tone would come up when being used only for chatting.

Warren Lufkin W0SII mentioned if it would be possible for a short squelch tail on the repeater beings it has none as of now.

Morris Ashworth WA7KUE said the fire dept had donated 5 Motorola and 1 GE mobile transceiver to the radio club. The radio's are rock bound. It was mentioned installing these in the comm van and Greg Wood WB7EIN, was appointed liason on this project.

Dick Wunder, WA7WFC then advised the club on the wilderness act on Laramie peak, location of the 28/88. This act if passed would declare that the Laramie peak become a wilderness area meaning all repeaters would have to be removed from the mountain. If this happens we would lose a wide coverage repeater. Nothing was advised on the status on this though it will be pursued.

At last we finally reached the program which was Warren Lufkin W0SII interesting and extremely informative talk and discussion on antennas and it's associates. Just a few of the topics covered were VSWR, effeciancy of different types of antennas, effects of

VSWR on antennas and topics brought up by members. A special thanks should be given to Warren Lufkin W0SII.

** 12 OCTOBER 1982 **

Called at 1941 hrs.

15 members present, 1 visitor.

Old business

Subject of the comm van and donated radio to be installed.

Jack Hayes W7CGK will pursue problem of 04/64. Sq tail will be installed and also problem of dial tone during use.

New Business

Bob Dorn KB7SX - WARS meeting Oct 17 at Laramie. Would like as many possible to show up.

Work parties for both EOC dept.

GPARA meeting (annual) at Wheatland in Nov. "Buy your own lunch" held at Vimbo's.

Next Saturday will be SET test at 9:00 AM 3923 or 7260.

Presentation; Dick Wunder WA7WFC SCM section Comm Manager discussed ARRL good and bad points. Discussed FCC good and bad points. Reorganization of ARRL

Meeting dismissed at 2204 hrs. Next meeting will be Nov 9 at County EOC at 1930 hrs.

** 9 NOVEMBER 1982 **

Called at 1929 hrs

New Business

SET local for Sweetwater County.

Old Business

Bennie James W7SQT followed up on Powers case. Suggested "Honorary " free membership. Dick Wunder WA7WFC moved and 2nd by Glen Blackburn K7NQX.

Majority vote. Committee appointed for "Honorary Membership", Bennie James W7SQT, Glen Blackburn K7NQX.

New Business

Bob Dorn KB7SX for nomination from Dick Wunder WA7WFC for Section Manager to be sent to ARRL.

Next Thursday nite for 1.850 MHz at 1900 hrs meeting for 160 meters.

WARS briefing. Give them (Laramie) 1 month to fix repeater, Will be moved to Beacon hill if not fixed to give Cheyenne best coverage.

Tech committee. (Dave Worley WB7WDO and Bob Dorn KB7SX) has to go thru them . No more "any one " fix-it. Does need coverage to south. New pres is Reed Fletcher (Laramie).

Greg Gaulka KA7IVF brought up about new 147.39/99 repeater.

** 14 DECEMBER 1982 **

Meeting called to order at County EOC at 1939 hrs by Morris Ashworth WA7KUE.

Minutes were accepted as read. Dick Wunder moved minutes be accepted, Ron Dertsch KC7QJ 2nd the motion.

Old Business

Jack Hayes W7CGK was going to work on the 04/64 machine. He also pointed out that a work party was needed to clean and adjust the duplexers. A squelch tail was going to be installed.

New Business

Frank Bumgarner KD7AN ex WB7OFK motioned a committee be appointed to install VHF equipment at the base hospital as well as the other hospitals. Ron Dertsch KC7QJ was appointed committee chairman for this subject.

READ FIRST Ron Dertsch KC7QJ thought of putting VHF equipment at the base hospital as well as the other 3 hospitals.

Frank Bumgarner KD7AN pointed out that there will be a new wide range repeater in Cheyenne. It needs a few more "bits and pieces" and the control link needs work on. The frequency will be 147.105 output, 147.705 input.

New Members Bill Gravel WB0TWE, (Ex President of RMRL) and Fred Greene working on his license.

Meeting adjourned at 2207 hrs.

Treasury report Checking \$40.79 - Cash on Hand \$40.00 - Savings \$226.26 - total \$307.05

We now have 37 paid members

Frank Bumgarner KD7AN motioned for \$15.00 to Dick Wunder WA7WFC for Space Shuttle co-ordinates disk for Commodore 64. Second by Bennie James W7SQT. Frank Bumgarner KD7AN check.

Wayne Smith from the FAA - Gave a talk on the FAA.

** SEPT, OCT, NOV and DEC 1983 PROGRAMS (From Newsletter) **

Tuesday, September 13 Place: Warren AFB Museum. Warren Lufkin W0SII will host a guided tour of the Base Museum. The Base Museum is located in building 210 just west of the Base Exchange.

A sampling of exhibits are various period rooms depicting life from 1862. Also included are historical exhibits of uniforms, pictures and other interesting memorabilia. Steve Cochrane KA7AWS will be at the Main Base gate from 7:00 to 7:30 PM to assist in gaining entrance to the base.

Tuesday, October 11: Bill McCas K0RZ from Boulder will present us with a very informative and timely talk explaining how to QSO via satellite. AMSAT- OSCAR- 10 what it is, how to track it and type of station needed for adequate 2 way communications. The Russian Communications satellite and the W5LFL space flight will also be discussed.

Tuesday, November 8: Wayne Smith, Chief Controller, FAA, Cheyenne air traffic control and communications. Wayne will discuss the basic concepts of air traffic control and communications necessary to maintain order in the airways. Topics include equipment used for air control, modes and frequencies allocated, emergency procedures and personnel requirements.

Tuesday , December 13: Frank Pascarelli KA7DXK on Oscilloscopes and Frequency Counters. Frank's occupation is repairing TV's, VCR's and Computers. He will discuss the use of Oscilloscopes and Frequency Counters to trouble shoot and align radios and other electronic equipment. Also included are comments concerning quality and price of test equipment necessary for the ham shack. A Commodore 64 will be used as a waveform and voltage source.

*** YEAR 1984 ***

** ?? 1984 **

(Note from Jim W7NE.) Local Volunteer Examiner program starts. First session held by Jim Garrison W7NE, Ed Leckman AB7X and Tony Olinger AC7W. The only other Extra class at this time was Harold "Bud" Roberts W7HCA, who was not available for the test session.

In 1993 when this "history" was being written up, there are at least 28 Extra class hams in Cheyenne. The availability of the local test session and an slightly easier or no-code requirement has help boost the ham population. It still takes a lot of personal effort to become a ham but a 4 hour drive to Denver and back to take the test is no longer required.

** 10 JANUARY 1984 **

Minutes have been located -- Need help on them.

** JANUARY 1984 PROGRAM (from Newsletter)**

Dick Wunder WA7WFC "Annual ARRL Night". It's time to be brought current on recent policies and happenings within the ARRL. Topics will include the new ruling by the FCC that allows Volunteers to administer Amateur Radio license exams.

Is the new leadership expected to bring about any changes in ARRL policy --- After the untimely death of ARRL president Vic Clark, W4KFC?

** 14 FEBRUARY 1984 **

Meeting called to order at 1934 Hrs.

OLD BUSINESS

None

NEW BUSINESS

President reminded everyone that the club is always looking for ideas for programs for meeting nights. No new ideas.

President - need a nominating committee for club officers. Greg Galka KA7IVF and Bob Brumbaugh WB7RSM were chosen for nominating committee.

Auctioned equipment donated by Haskell Cohen K7DSK. All proceeds going to the club. Business meeting adjourned at 1949 Hrs.

** 13 MARCH 1984 **

Write Haskell Cohen K7DSK a letter of thanks for money that his equipment brought to the club.

New Business

Bob Johnson wants to give a talk on packet radio, maybe VHS tape on talk in a few weeks. May or June.

Suggest routine procedure for radio and room, Emergency weather routines, Bob Lewis WB7T suggests second Tuesday in May on radio.

State EOC Greg Galka KA7IVF suggest with radio in EOC in June or July.

ARRL film catalog on films list. No catalog was issued, just a list.

Station set up at Mall for public service, as a club project.

Radio watch program- radio equipment to report fires , other emergency activities.

Greg Galka KA7IVF - Cable company call 145.750 audio on channel. 145.250 squelch on. Cable company will look into the problem. Suggests sending 50 separate letters to company. Write letters to FCC. Greg Galka KA7IVF will draft a letter for guide for those interested parties.

Election for new officers. President- Bob Lewis WB7T, Vice President Frank Pascarelli KA7DXK, Sec/Treas Bob Johnson KA7DXJ

Jim Garrison W7NE will give talk on home brewing ham equipment.

8:51

Close at 10:20 PM

** 13 APRIL 1984 **

Club president Bob Lewis KA7DKH sent a letter of thanks to the OWL Inn for the lunch meetings that were held there. The club had moved the lunch meeting to another location.

** 7-9 SEPTEMBER **

High Plains Roundup Swapfest, Door prizes, Transmitter hunt, Technical displays of Packet Radio and TVRO, Food and Music.

** 18 SEPTEMBER 1984 **

(From Newspaper article) Dr Sam Zuckerman W7FT passed away Tuesday. Sam had been a Ham radio operator for more than 60 years. Sam was a devoted CW operator and was believed to have been able to copy 50 WPM. He had a license issued by the Commerce Dept in 1916 which required 5 WPM. With the kind of equipment in use at that time, 5 WPM was pretty fast code. After the vacuum tube came into use, the code was much easier to send or copy. Sam graduated from the University of Colorado Medical School. He moved to Cheyenne in 1925 after being an intern in Denver and Chicago. (NOTE from Jim W7NE) Jack Hayes W7CGK believed Sam Zuckerman W7FT to be one of the original members of the Cheyenne Radio League which was renamed to the SHY-WY Radio Club some time between 1932 and 1941.

** Date ??? 1984 **

A Novice class was conducted by the club.

** 13 NOVEMBER 1984 **

17 present at meeting

Meeting called to order 7:35 PM

Novice class- Article in Trader. Need volunteers for teaching. Discussion on examinations.

Raising money from raffle.

Discussion on Autopatch 04-64. Improvement of antenna and autopatch.

Repeater needs call sign 04-64.

Boy Scout Camp okeyed for 1985 Field Day.

Old Business:

Mall display and raffle.

** 9 APRIL 1985 **

There are 2 sets of minutes for this date. They say about the same thing but with a lot of difference in writing style.

+++++ HERE IS THE FIRST SET OF MINUTES +++++

Antenna of Morris Ashworth WA7KUE - Dale Putnam WC7S will get with him.

04-64 Static no workable Auto Patch.

Need letter to Dick Wunder WA7WFC to have Colorado put a notch on the 04-64 repeater in Colorado.

County for 50% letter County Civil Defense.

82 W7NE

Wyoming Hamfest help from all clubs in Wyoming.

Next Meeting

Donations for Wyoming Hamfest. Warren Lufkin W0SII 10, Tom Lee WA7WYW 10, Dick Wunder WA7WFC 5, Bob Johnson KA7DXJ 5, Tony Oliger AC7W 5, Bennie James W7SQT 5, Bob C 1, Morris Ashworth WA7KUE 1.

Proposal to Civil Defense Dale Putnam WC7S.

Technical committee will approve the proposal that will be presented to Civil Defense. Two (?) proposed.

1. Spec on Auto Patch. Frank Bumgarner KD7AN
2. All equipment on site less repeater. Warren Lufkin W0SII.

Technical committee Frank Bumgarner KD7AN, Dick Wunder WA7WFC, Dale Putnam WC7S, Steve Cochrane WA7H and Morris Ashworth WA7KUE.

+++++ HERE IS THE SECOND SET OF MINUTES. +++++

Meeting was called to order at 7:30 PM by Bob Johnson KA7DXJ club sec/treas.

The first order of business was election of officers.

Dick Wunder WA7WFC nominated Bob Lewis KA7DHK for President and it was seconded by Steve Cochrane KA7AWS. Bennie James W7SQT moved that nomination be closed and it was seconded by Tom Lee WA7WYW and Bob Lewis KA7DKH was voted in with no one opposing.

Tom Lee WA7WYW nominated Steve Cochrane KA7AWS for Vice President and it was seconded by Dick Wunder WA7WFC. Morris Ashworth WA7KUE made a motion that

nominations be ceased and it was seconded by Dale Putnam WA0LJR. Steve Cochrane KA7AWS was voted in and no one was opposed.

Dick Wunder WA7WFC nominated Bob Johnson KA7DXJ for secretary-Treasurer and it was seconded by Frank Bumgarner KD7AN. Aaron Culver WB7EMA moved that nominations be closed and was seconded by Bennie James W7SQT. Bob Johnson KA7DXJ was voted in with no one opposing.

Tom Lee WA7WYW made a motion that an Unanimous vote be cast for all nominee elected. Motion was seconded by Morris Ashworth WA7KUE and motion carried with no one opposed.

Field Day Discussion

Antenna-- Antenna donated by Morris Ashworth WA7KUE needs repair-- Dale Putnam WA0LJR will get with Morris to see about repair.

Repeater-- The 04-64 machine has static and the Auto Patch is not working. The Colorado 04-64 repeater is getting into the 04-64 repeater here in Cheyenne. It was suggested that a letter be written to Dick Wunder WA7WFC the Wyoming Frequency Coordinator to have Colorado put a notch on their 04-64 machine to the north.

County Civil Defense Director suggested we write a letter to Civil Defense and they would go 50% on repeater equipment.

A Technical Committee was elected. They consist of Dale Putnam WA0LRJ, Frank Bumgarner KD7AN, Dick Wunder WA7WFC, Steve Cochrane KA7AWS and Morris Ashworth WA7KUE.

The object of the technical committee is to make a proposal to be presented to Civil Defense for update of the 04-64 repeater equipment. Frank Bumgarner KD7AN proposed these two objectives. 1. Specifications on Auto Patch. 2. All equipment on site less repeater. Motion was seconded by Warren Lufkin W0SII and motion carried by all members present.

Dick Wunder brought to our attention that the Wyoming Hamfest will be in Douglas, Wyoming July 12 thru 14 and that they are seeking donation from all Wyoming clubs to purchase gift for drawing. A donation of forty-two dollars was collected which was above that donated by the SHY-WY Amateur Radio Club.

146.22/82 repeater call is W7NE.

Meeting was adjourned at 9:15 PM for donuts and coffee.

** 14 MAY 1985 **

The club was make a big effort to raise money for the new Repeater we need at 04-64. Several proposals have been made to Civil Defense Agencies. A Raffle was held some where around this time to raise money directly for the project. Some of the donated prizes were A Water bed, Lighting set and a VCR.

** 1 AUGUST 1985 **

The flood hit Cheyenne. The 911 center was flooded. Some of the club members spent many hours providing emergency communications. We came thru with flying colors. We made a lot of points with many people who were not aware of our capabilities before. To all of you -- A JOB WELL DONE.

** 23 AUGUST 1985 **

The club had raised \$1,000.00 and the Wyoming CD had provide a \$1,300.00 towards the new repeater. A request was made to the Laramie County CD for help in the amount of \$1,217.45 to finish out the amount needed for the new repeater.

NOTE: The repeater is a Spectrum Communications Corp. model SCR2000X and the new repeater frequencies are Rec 146.775 and Trans 146.175 . The repeater has an auto-patch. This should be a lot of help during an emergency as well as a service to club members. The call sign is W7NE.

** 7 OCTOBER 1985 **

A letter was received from US dept of Commerce, NOAA, National Weather Service by Wilson Sellner, WB7RRZ informing him that they were presenting him with the National Weather Service Special Service Award for his efforts during the 1 Aug 85 flood.

** 22 OCTOBER 1985 **

A letter was received by Wilson Sellner, WB7RRZ from the NWA (National Weather Association) informing him that he had been selected to receive their Award of Excellence plaque.

Note: Channel 5 TV covered Wilson Sellner WB7RRZ receiving the plaque from Mr William Parker of the National Weather Service.

Note: Cheyenne Amateurs have had an operating weather spotters group for a number of years and did a good job when the flood happened.

*** YEAR 1986 ***

** 4 JANUARY 1986 **

The WARS organization transferred 2 Harris 2 meter transceivers to the Shy-WY radio club. This equipment was being used by SHY-WY as a repeater.

** FEBRUARY 1985 NEWSLETTER **

The program for the months of Feb, March and April are:

The February club meeting will be held this Monday Feb 10 at 7:30 PM at the new Laramie County Civil Defense Agency, which is located in the basement of the old Mountain Bell building (now the office of the Cheyenne Police Department).

Mr Dave Guille, Director of the Civil Defense Office, will be the guest speaker and will conduct a tour of the new facility.

The March meeting will I assume be held at the State EOC office. The March meeting is important because it is time to elect new officers. A nominating committee has been established for this purpose. If you would like to "run" for a club office contact one of the following persons. Bob Lewis KA7DKH, Fred Dumire KA2PFX or Jim Garrison W7NE.

The April Meeting will be an evening of training for those that wish to get involved with the Severe Weather program. The meeting will begin at 7:30 PM at the National Weather Service. This will be a good refresher course for those of us who have been involved.

** 1 APRIL 1986 **

The Laramie County EMA proposed a training session to help avoid duplication of efforts etc.

** 7-8-9 SEPTEMBER 1986 **

The High Plains Ham Roundup was held at the Yellow pine campgrounds in the Medicine Bow National Forest.

***** YEAR 1987 *****

** 13 JANUARY 1987 **

Our club in charge of HY-Plains. WA0RXJ's Colonial girl quilt door prize is ready. Need tickets ordered for raffle. Send quilt to Jim Garrison W7NE and have him take pictures. Bob Lewis KE7QT -- tickets for raffle - W0BIL

3000 tickets -- \$1/ticket.

Sunday morning net-- change license eligibility to cover all hams not just generals. maybe talk to Jack Hayes W7CGK.

Printing machine is available to club. If we have a place to store it. Paper will have to be purchases.

What type of exercise should we have? Dale Putnam WC7S 3 or 4 times a year.

** 10 MARCH 1987 **

Treasurer's report - \$ 499.11 as of 31 December 1986.

Nominating committee report by Steve Cochrane WA7H, Aaron Culver WA7EMA and Morris Ashworth WA7KUE.

Round up to be concerned with the new officers.

Audit committee _ Carl Dierks WA7LDX, Morris Ashworth WA7KUE and Darren Mainwaring WA7ZXL.Dale Putnam WC7S

April 14 spotters class 7:30 tuesday tentative --

Motion Bob Lewis KE7QT second by Ralph Bartels NC7O to have meeting at 7:00 at NWS. Carried.

Steve Cochrane WA7H -- Repeater interference to police radio. Business should not be held on repeater.

- 1.possibly send a form letter or verbal reprimand.
2. Technical committee to look at this if instructed by new officers.
3. New technical committee to determine changes

** ?? APRIL 1987 **

Election of officers. President - Bob Lewis KE7QT , Steve Cochrane WA7H (winner)
Vice - Tom Lee WA7WYW Treasurer - Carl Dierks WA7LDX. Motion made Morris
Ashworth WA7KUE, second by Dale Putnam WC7S. Steve Cochrane, WA7H president
by Tom Lee WA7WYW, Morris Ashworth WA7KUE. Bob Lewis KE7QT, president by
Tom Lee WA7WYW, Second by Steve Cochrane WA7H.

Motion to cease nominations by Tom Lee WA7WYW 2nd by Ralph Bartel NC7O.
Motion carried.

Motion to destroy the ballots. 2nd by Bob Gibbons N7IGI.

New technical committee _ Steve Cochrane WA7H, Morris Ashworth WA7KUE, Dale
Putnam WC7S, Frank Bumgarner WB7OFK, Dick Wunder WA7WFC.

Motion by Ralph Bartel NC7O, second by Bob Lewis KE7QT. Motion Carried.

** 28 MARCH 1987 **

Audit of March 28, 1987. Books were found to be in good order.

** 12 MAY 1987 **

Treasurer's report \$544.11 (? Checking) 110.00 cash on hand.

Last meeting at National Weather Service. Tornado and severe storm spotter training.

Field Day - Tom Lee WA7WYW. Need Novice rig. Carl Dierks WA7LDX will loan R4-
T4x.

Need shelter_ No tents available. ?? provides report.

Yellow Pines -- High Plains roundup Committee Jim Garrison W7NE, Bob Lewis
KE7QT Reserve tent

\$60.00. Tickets for raffles, Red Jones has one type. Carl Dierks WA7LDX to get tickets
and see Dale Putnam WC7S for address.

Several announcements were made regarding swap meets etc. This recorder did not get them written down.

Old Business

Bob Lewis WB7T updated the parade list for Frontier Days.

Ralph Sims W7COK announced our club VE testing will take place at the Wyoming Hamfest in Laramie on July 9, 1988

New Business

A letter from Jim Hassler WB7TRQ was passed around, talked about and tabled. This was in regards to not smoking at club meetings or in operating positions.

It was decided by consensus that from now on the Newsletters will go only to paid up club members. The mailing list will also include people who support the club. RE: County EOC, National Weather Service etc.

A motion was made that one member of a family would be a club member, others in the family would pay \$5.00 per year. The motion was seconded. Discussion followed. A motion was made to refer this to the EXC. committee. seconded and carried.

A motion was made to elect Tom Lee WA7WYW and Fred Dumire N7JPR to the Board of Directors. Was seconded and was carried.

The Board of Directors will meet next month at 6:30 PM before the regular club meeting.

There is a work night on May 17, 1988 at 7:00 PM.

Meeting was adjourned at about 9:30 PM

Respectfully submitted by Ralph Bartels NC7O Temp Secretary.

** ?? JUNE 1988 **

The club operated regular and Novice field day stations.

** ?? JULY 1988 **

9-10 July The Wyoming Hamfest was held in Laramie.

** 12 JULY 1988 **

Tom Lee WA7WYW gave report on field day. Good op. Some delay during day due to electrical storm.

Steve Cochrane WA7H gave security report. Keys now available for members.

Awards and contests report.

Frontier Days committee - Sked on bulletin board.

04/64 repeater up not coordinated frequency. 147.105/705 available but no time at present to retune duplexer.

Fred Dumire N7JPR Special board meeting with ARC and Boy Scouts, held 11 July. Agreement was made with all concerned about use of keys and a sign out log to cover who accessed the building. Please turn out all lights close and lock appropriate doors.

Club RFI problems - We need some public relations.

New Business -

1989 Hamfest in Cheyenne. Laramie meeting had only 1 room.

Nominations for committee chairman. Steve Cochrane WA7H and Dick Wunder WA7WFC volunteered. Discussion of days available. Check with Miley Radio Store about dates.

Autopatch telephone codes. 11 - NWS Pri, 12 - NWS Sec, 13 - WHD dispatch, 14 - State emerg (EOC), 15 - State non emerg (EOC), 16 - Co EMA office (Dave), 17 - County switchboard, 18 - C0-city health, 19 - County EOC operation rm, 20 - City offices, 21 - Police non-emerg, 22 - 911 non emerg, 23 - 911 emerg.

Haskell Cohen K7DSK - contact for Frontier Days parade comm. committee.

Work day Saturday NW corner of park.

Window Air Conditioner available. Color TV available with remote VHF only.

Night for meeting on VHF (???) ?

Sunday 22/82 net.

**** 9 AUGUST 1988 ****

Read candidate solitation for RM Director by L A Eichel K2NA Boulder.

Tom Lee WA7WYW gave Field Day report, everything ready except photos.

Tech committee 04/64 will be moved to 105/705. Possible move of 775 machine? Need to move because of spurious emissions from Holiday Inn radio site. Need location to cover area, phone line etc.

Hamfest Committee - Miley Radio Stores only available 8 and 9 needs room and tables which he doesn't have to move out Sat afternoon or evening.

Fest approved for July 8 and 9. Meeting closed 2047. Fred Dumire N7JPR check Hitching post. Dale - check Holiday. Carl - check Rodeway.

Frank - 04/64 down returned to 105/705. Duplexer somewhat returned.

Rumor that ARC is moving out. We can have facility when they go. No heat but Dave Guille (LCEMA) says there is a gas heater we can use. Room needs cleaning up. clean out dirt and dust. No committee on payment for building.

Monthly bulletin. George Smith N7JJY - Posted bulletin on losing bottom 2 MHz of 220 has gone commercial.

All the codes are the same on 775 only the phone numbers have changed.

** SEPTEMBER 1988 newsletter is available **

** 13 SEPTEMBER 1988 **

Club received Special Service Club manual from ARRL. Much good info. Will be available for all members after move to ground floor. German ham wants 3.5MHz Wyoming contact.

Bob Fredrich N7JYH suggested George Smith N7JJY work up a format for ARES net thurs night 1900 146.775.

Dale Putnam WC7S gave presentation on DX and Contest operation.

***** YEAR 1989 *****

** 10 JANUARY 1989 **

Secretary-Treasurer read minutes of the December meeting and the Treasurers report.

New IDer in will be installed in 146.175/775 on Burke bldg (Sen Citizens home 22nd and O'Neil). When this is done 105/705 will be moved to old 775 tower. Phone patch costs will belong to club.

All state equipment used by amateurs has been accounted for on inventory. Frank Bumgarner KD7AN thanks everyone for this.

Hamfest meeting 7 PM Thursday night 12 Jan. We can use any volunteers to come forward. Ralph Bartels NC7O joined also chairman of prize committee. Holiday Inn offered to help get our program together when we get enough info to start.

1989 Callbooks? Possible trade in 1988 books for discounted 89 books. We are looking into this.

** 14 FEB 1989 **

The meeting was called order at 7:37 PM by President Dale Putnam WC7S. He Appointed Ralph Bartel NC7O Temp Sec in the absense of Carl Dierks WA7LDX, who was ill.

The minutes From the last meeting were not read as they were not available, nor was a treasurers report given.

Dale Putnam WC7S suggests members identify and practice using the auto-dialer on the repeater for 911 so one does not make a blooper in a real life situation, in an emergency.

After some discussion a motion was made and seconded that the club treasurer order 15 call books to sell to club members. The motion was carried. Bob Fredricks put his name down for a quantity of one for him.

This ended the formal meeting portion.

Bennie James W7SQT then gave a super presentation on message handling starting with early history. It was very interesting as well as informative.

The meeting was adjourned at 9:00 PM

Respectfully submitted, Ralph E. Bartels NC7O Temp Sec.

** 14 MARCH 1989 **

Discussion of changing election of officers from April to January. After much discussion it was decided to leave election as is.

Apologies made for failure to appoint select board for new officers. Brought up possibly changing Secy/Treas to two positions. After discussion this was rejected as not that much work.

Nomination for board of directors: Dick Wunder WA7WFC nominated and elected.

Nominations open for club officers. Present officers renominated and elected.

K4AAA 7230, 14280, 21370, 28350 +- QRM SSB

** 1 April 1989 **

Celebration of 50th anniversary of establishment of Naval communications. 1300-2100 UTC Special QSL cards SASE not required except for those not in callbook.

Treas report and minutes given.

Reverse autopatch back up on 911 and NWS.

Projected change of repeater frequencies is still on hold while the technical committee is checking out range of interference.

Steve Cochrane WA7H Gave info reference different state Neb, Mostly HF usage- also VHF.

Adjourned at 1935 M

** 14 AUGUST 1990 **

Meeting of SHY-WY ARC Aug 14 th called to order by Steve Cochrane WA7H, club President at 1905 M

Steve Cochrane WA7H gave a report on the 1990 WIMU convention that was held in Jackson,WY, in attendance approximately 420 and hosted by the Idaho group. WIMU of 1991 scheduled to be hosted by Wyoming and WA7H volunteered to chair the event and help will be needed by the Cheyenne club as well as others in the state. Hopefully the date conflict of WIMU and the state hamfest can be avoided.

Minutes of the preceeding meeting and financial report were read and approved.

Financial statement: checking \$629.10, savings \$1,718.45

OLD BUSINESS

Steve Cochrane WA7H reported he had discussed with Dave Guille LCEMA regarding the cooperation of the 911 personnel with club members reports radioed to them.

Newsletter or club bulletin in need of an editor, volunteers requested.

Shauna Richards N7NGT of Rock Springs recently picked as receiving the Hiram Percy Maxim award, reportly being not a ARRL member. Motion made and approved, for SHY-WY club to pay her membership in ARRL. Later information indicates she was a member of ARRL at the time of selection.

NEW BUSINESS

Jim Murph N0ESG is preparing a "help package" to be distributed to new and old members, to cover several areas in hamming. Such as etiquette and procedures in 2 meter communications, access to phone patch etc.

Two 10' poles or masts with coupler needed for improvement of 2 meter repeater operation.

Field Day results for the club showed 487 phone QSO's stations, and 504 CW QSO's with 70 stations.

A letter to Dave Guille LCEMA thanking him for the availability of city-county communications equipment was written by Ralph Bartel NC7O.

The special events station effort, headed by Jim Murph N0ESG did a fine job at the park during Frontier Days.

President Steve Cochrane WA7H again reviewed the needs for 1991 WIMU, stressing for help to get the affair going.

George Smith N7JJY discussed the need of some type of identifying members of club when involved in emergency or public service functions, such as arm bands, caps, jackets etc.

George Smith N7JJY also advised that the HERC system expected to be fully operational thru out the state by later part of August.

The suggestion made by George Smith N7JJY for club members to purchase UHF gear for use in the HERC program.(further discussion later in this mater)

Dale Putnam WC7S advised of upcoming contest activities on the bands and encouraged members to become involved.

No further business items to be discussed so meeting was adjourned at 2000 M

** ?? SEPTEMBER 1990 **

Jim Murph N0ESG called the meeting to order at 1900 M.

10 club members were present.

Minutes and financial report of the August meeting were read and approved.

Financial statement: Checking \$646.10, savings \$1,718.45

Old Business

Darwin Mainwaring WA7ZXL said that members of the county fire district had asked him to determine if any recognition or award had been given by the county E.M.A.

Work on the 775 repeater and antenna at the Burke Hi Rise very difficult to schedule as access to site hard to obtain from housing agency.

New Business

Dale Putnam WC7S mentioned that some of the upcoming contests for those interested and would like to see club participation, especially those sponsored by ARRL.

Newly upgraded - George Anderson N7PLJ.

Fred Dumire N7JPR reported on the recent fox hunt that was held with the Boulder club near Fort Collins. Fred was this years winner of the fun event and thereby designated being the "fox" for the 1991 contest.

Meeting adjourned at 2000 M

** 9 OCTOBER 1990 **

Jim Murph N0ESG called the meeting to order at 1900 M.

11 members and visitors were present.

Minutes and financial report of September were read and approved.

Financial statement: \$31.20 paid out of checking for previously ordered QSL cards for special Events station. Deposited \$30.00 dues received from Tom Lee WA7WYW and Jim Headstream KE5NQ (new member), balance checking \$644.90, balance of savings account \$1,718.45

Old Business:

Jim Murph N0ESG advised that a letter has been received regarding access to the repeater site. That coordination with the housing agency must be obtained. Hopefully at the next meeting more information will be on hand.

Jim Murph N0ESG also advised that at his home QTH, he has a private patch to be used primarily for emergencies. Accessed by the zero and cleared by the # key.

VEC testing scheduled at LCCC, 10/27. Contact person is Gary Krause N7HTS.

New Business:

Reminder of the VHF net, Wednesday evening on the 146.775 repeater. All hams welcome.

Visitors: Frank Feeler studying for Novice, also introduced were Jim Meadows KB7LLO, John Noonan N7OZW, Jesse Ohlsson KE7EQ, and Ken Rathbone N7PFX.

Club station operating status reviewed, HF antennas not available at present.

Meeting adjourned at 1930 M.

** 13 NOVEMBER 1990 **

Steve Cochran WA7H called the meeting to order at 1905 Mountain time with 21 members and guest present.

Minutes and financial report of October were read and approved.

Old business

Introduction of attending hams.

Fred Dumire N7JPR, Advised a certificate from NWAS for the year 1988, on hand at QTH, and be brought to the club station.

The weekly VHF net on 146.775 Wednesday to be discontinued.

The HERC system discussed and reviewed.

Help for the NCS of the Wyoming Weather net is welcomed.

New Business

Meeting of the Technical Committee, earlier, had recommended to try changing the ROM chip to see if restoration of 775 repeater functions could result. Alternately the backup repeater should be installed as soon as a site arranged.

Jim Murph N0ESG made the motion to have an open account to use not to exceed \$300.00 to be available for expenses to use toward repeater repair etc - Motion 2nd by Dale Putnam WC7S.

Dale Putnam WC7S reminded all of of the ARRL Sweepstakes contest during the month.

Jim Murph N0ESG advised the December meeting will be co-ordinated with LCEMA for a tour of the facility.

Steve Cochrane WA7H chairman of the 1991 WIMU convention in Jackson, discussed the need of help for different committees, such as Regulatory, Program, Swap tables, Prizes etc.

WIMU will be on 1st weedend of August (3&4). Bob Johnson agreed to work on Prizes under conditions of the club following a NO SMOKING rule for future club meetings.

A short program furnished by Bennie James W7SQT on National Traffic System, Traffic handling etc.

Motion for adjournment at 1935 Mountain.

** 11 DECEMBER 1990 **

Steve Cochrane WA7H called the meeting to order at 1905 M December 11th with 20 members present.

Minutes and financial report of the November meeting were read and approved.

Financial report: Checking \$711.90 and savings \$1718.45

Old Business:

Introduction of attending hams. Steve Cochrane WA7H advised that the 146.775 repeater still not working as expected, but a few more ideas were planned. It is hoped that the 147.105 repeater will be operating within a week or two.

New Business:

A brief description of the WARS group was given by Steve Cochrane WA7H and all users of the system were encouraged to become paid members.

A meeting of WARS is scheduled for January 19th at LCCC at 1300 M, all are invited. On the agenda will be a discussion of the HERC system.

Dale Putnam WC7S gave a brief report on his November contest activities. Good work Dale.

Dale Putnam WC7S repeated the need for additional volunteers for the Wyoming weather net.

Steve Cochrane WA7H also mentioned need for help with the other state nets.

Bob Schrader N7NKD gave a report on the club's help with the state's emergency exercise of last May. A certificate of appreciation was presented to the club, and individual participants.

Tom DeHoff WA7MAL mentioned about the "poor operating" practices on 14.313 SSB heard by himself and others, recently. This discussion brought up a warning by Steve Cochrane WA7H of our club members to be careful in some of their transmissions on the area VHF repeaters.

Jim Murph N0ESG asked if there was enough interest by club members to hear re-broadcasts of space shuttle transmissions, he would attempt to record same.

Scheduled nights program for Emergency Management personnel was cancelled but will be rescheduled at a later date.

January program, hopefully, presented by National Weather Service covering climatology.

Dale Putnam WC7S is planning on gathering material to be forwarded to ARRL for the upcoming publication on RFI.

Meeting adjourned at 1950 M

***** YEAR 1991 *****

** 8 JANUARY 1991 **

1900 - Meeting called to order.

Minutes and finance statements read and approved.

147.105 repeater in operation. 146.775 down microprocessor out. Dale Putnam WC7S will get parts and try repairing the repeater.

Carl Dierks WA7LDX has parts to set up new antenna for 147.105. When assembled will contact members for help install. Watch yourself (be careful) when you work on tower.

Steve Cochrane WA7H and Mac McDonald WB7K (Laramie) are candidates for State Section Manager (SCM). Choose your candidate.

Old Business

Dale Putnam WC7S has Emergency Management manuals for members.

New Business

VE testing on 19 January prior to WARS meeting.

Name for newsletter suggested by Carl Dierks WA7LDX "OFF THE BEAM" Discussed and voted in.

John Noonan KG7LE, wife just had surgery, send card.

Check 15 and 20 for China and other ????

ARES-RACES on HERC net on 146.82 7PM Sundays

HERC/WARS financing problem will be discussed at 19 June WARS meeting.

Election of officers in April, think about candidates.

Fort Collins, Loveland, Boulder repeaters are coded 100 HZ 1* to bring up 0* to drop.

Sunday swap net on 3923 approx 0830 local time. Maybe a little earlier. Denver swap shop 94 repeater.

Need alternate weather net operator at 6 AM in Cheyenne.

The man who was going to get ARES/RACES jackets for us is in Arabia. Tom DeHoff WA7MAL volunteered to try to get this program going again.

Adjourned 1955 Hrs

17 members present.

** ?? FEBRUARY 1991 **

Meeting called to order at 1905 by Steve Cochrane WA7H with 20 members and visitors present. Introduction of all.

Minutes and financial report for January read and approved.

Financial report: checking account \$707.75 and savings \$1,759.84

Old Business;

Carl Dierks WA7LDX reported on antenna work by himself, Jim Murph N0ESG and Don Breazile N7MYR at the 147.105 site. They were unable to get the coax hung due to worsening of the weather, and it will be attempted with better weather conditions.

The 146.775 repeater still not fully operating fully on account of chip problems and less expensive replacement being researched by Carl Dierks WA7LDX. Power supply regulation apparently being the culprit for past failures.

Help is greatly needed by Steve Cochrane WA7H for our hosting of the WIMU convention in Jackson. Contact Steve Cochrane WA7H if you can help.

New Business:

Dale Putnam WC7S restated the December 11th changes in FCC regulations that U S Amateurs will not be forced off the air with war declarations, however Hams must obey any FCC restrictions. ARRL station W1AW will keep current info.

Dale Putnam WC7S also mentioned that some packet Transmissions contain advertising that border on commercialism so beware. Another area to use caution in is to pass along any news media information that may have been heard on MARS or foreign broadcast frequencies.

If interested in becoming a MARS member please contact Steve Cochrane WA7H for info on AF MARS or Dale Putnam WC7S on Navy MARS.

Dale Putnam WC7S noted that the FCC will relocate the Novice portion of the 80 meter band to 3675-3725 KHz from the previous 3700-3750 KHz frequencies, this to be made March 16th. Also a reminder of the 200W PEP limit on all novice bands except 10 meters.

Jim Murph N0ESG has information that the County E M A will be donating an IBM compatible PC to our club. It is also hoped the agency may provide another TNC and related gear.

Weather permitting we will try and put up an HF antenna at the club site, and it was suggested that a vertical might be more practical.

A report was given by Joe DeAnglis N2FDV relating his personal experience with a TVI/RFI problem and it's solution. Joe DeAnglis N2FDV also advised he soon will be leaving our midst and will be likely in the N J area. He leaves with regrets and best wishes from the club.

Plans made to start a new Novice class and a motion made by Carl Dierks WA7LDX to provide funds for obtaining ARRL publications for Novice and higher class of license. Motion approved and passed.

Jim Murph N0ESG reported on the January meeting of WARS, and advised a WARS newsletter would be issued soon.

Jim Murph N0ESG also reported on listening to the MIR satellite on 145.55 . Interested parties may contact Jim Murph N0ESG for further information.

Nominating committee for officers for new year Dale Putnam WC7S, Jim Murph N0ESG and Bennie James W7SQT.

** ?? MARCH 1991 **

Meeting called to order at 1905 M.

19 members and visitors were present.

Announced that new classes beginning Wednesday April 3rd at 1900 M at club location for codeless technician license will be conducted by Bob Schrader N7NKD and Bob Lee WA7WYW.

V E testing will be held 3rd Saturday in April (27) contact Gary Krause N7HTS or Bob Gibbons N7IGI for info.

Minutes for February read and approved.

Financial report: checking account \$737.39 and savings \$1759.39.

Old Business:

The 146.775 repeater chips will be installed very shortly. The 147.105 repeater status-new antenna now up and replacement of coax scheduled next. Motion by Jim Murph N0ESG, seconded by Don Breazile N7MYR to purchase a 500 foot roll with club funds. Carl Dierks WA7LDX will order thru A.E.S. also needed for this machine, install ID'er. Jim Murph N0ESG volunteered to take care of this.

Sample Jackets, for club members was shown by Dale Putnam WC7S. A very spirited discussion followed. Regarding style, color. etc. Contact Dale Putnam WC7S or Tom DeHoff WA7MAL if you wish to order.

New Business

Wilson Sellner WB7RRZ presented the following items. 1. Contact him if you are interested in becoming PIO for ARRL. 2. Volunteers in helping with Frontier Day's parades, notify him as quickly as possible. 3. If you can help out with communications for the planned " Welcome Home" celebration for returning Persian Gulf troops, please notify Wilson Sellner WB7RRZ. Exact date not known but could be as early as mid May

or late as early July. 4. The spring "Weather Spotter" program by the Weather Service is planned for April 16, 1900 M at the 911 center.

Communications help needed for April 7th "Cheyenne Walk", contact Haskell Cohen K7DSK for details.

Steve Cochrane WA7H reminded all of the Hamfest to be held in Kearney, Neb, April 22-24. The Wyoming Hamfest May 25-26 in Casper (Casper Hilton). The WIMU to be held in Jackson, WY 1st weekend of August with Wyoming to be the host. Contact Steve Cochrane WA7H if you can help in any manner. The "High Plains Roundup" usually after Labor day still needs to be resolved.

Next club meeting will have election of club officers for the new year.

Congratulations to Steve Cochrane WA7H, who will assume his new duties as Wyoming Section Manager on April 1. Your support, suggestions, etc will be greatly welcomed.

Carl Dierks WA7LDX reminded the club that the ARRL is soliciting funds for the WARC-92 conference. Jim Murph N0ESG made the motion that our club contribute \$50.00 for this purpose with the motion being approved and passed.

Meeting adjourned at 1025 M

** ?? APRIL 1991 **

The meeting was called to order at 1905 M by Steve Cochrane WA7H, Club President.

The minutes of the previous meeting were read and approved.

The financial report was read and approved. Financial report; Balance in checking \$607.54 and savings \$1,759.84.

Steve Cochran WA7H brought some sample ARRL patches to show regarding color, size, etc. of the ARES patch that will be used on the club jackets. 50 of these patches have been ordered from the ARRL. Steve Cochrane WA7H advised that Dave Guille LCEMA will arrange to secure the RACES patches thru EMA.

All were reminded of the "Weather Spotter" program that will be conducted by National Weather Service personnel at the 911 center on April 16th at 1900 M.

The 146.775 repeater is now operational and was used in connection with the Walkathon recently held. New coax is on hand and awaiting favorable weather for installing at the 147.105 site.

Steve Cochrane WA7H also advised of the operating privileges of the new "code- less /Technician" license class. All concerned with this new class of license, either in instruction, administering exams etc. In addition, operators in special event participation , ie Marathon walks, parades etc, to remember we are acting in a communication capacity only.

At this time , introduction of club members, and guests, was made. 22 were present.

Old Business

Jim Murph N0ESG advised that the new ID'er for the 147.105 machine needed to have call letters programmed. After a short discussion agreement was made that the ID would be WA7H.

Jim Murph N0ESG also opened a discussion of possible change of site of the two repeaters, by switching the equipment. Matter tabled and to be reviewed by the technical committee.

A report by Bob Schrader N7NKD that the new class for code-less technician license is off to a good start with approximatel 13 in attendance.

Tom DeHoff WA7MAL reported the club jackets had been ordered and could be expected in 2 weeks or so.

Steve Cochrane WA7H reported that the club now has a computer furnished by EMA to use for club created database, records, property registry and also packet.

Steve Cochrane suggested to the new officers, that the club should work for a greater cooperative effort with EMA as their office had given so much in equipment and help in the growth of our club.

New Business:

The nominating committee presented the list of suggested candidates for the election. This was followed by the following being elected: President, Bob Schrader N7NKD, Vice President Don Breazile N7MYR, and Secretary/Treasurer Tom DeHoff WA7MAL.

The two new trustees were nominated unanimously, Jim Murph N0ESG and Steve Cochrane WA7H.

Steve Cochrane WA7H spoke about his enjoying the tenure of being club president and his apperiation for the help of club members. Following his remarks the gavel was turned over to Bob Scrader N7NKD, the new president.

An audit committee was selected by Bob Schrader N7NKD and they were Bruce Edwards N7QIY, Carl Dierks WA7LDX and Bob Ray N7NMY with audit to be performed April 13th.

A motion was made and passed to issue a check in the amount of \$84.77 to Jim Murph N0ESG to pay for having the IDer chip programmed.

Meeting adjourned at 2025 MDST.

** ?? MAY 1991 **

Meeting called to order at 7:05 PM

Jim Murph N0ESG reported that Dale Putnam WC7S has ID'er for 105 machine. Carl Dierks WA7LDX has coax for the 105 machine.

Dick Wunder WA7WFC reported that the newer telephones that are available are real bad for picking up RF and interference. He also stated that the older phones are far better for not picking up RF.

Jim Murph N0ESG ask for help running the special events station at Frontier Days. As of now, he has 2 people signed up to operate. Discussion was made to try and find a better location for the station at Frontier Days.

Tom DeHoff WA7MAL is going to take care of the ARRL reports.

The VE testing will be at the club house (basement Police dept) until further notice. There will be a VE testing on June 12th at 6:00 PM at the club house.

Discussion was made to change the dues structure for the club, if you join the ARRL and the club at the same time. If a person was to join both separate. The cost would be. ARRL \$30.00 and the club \$15.00 for a total of \$45.00 if you join both at the same time. The cost would be \$30.00 ARRL and \$13.00 club for a total of \$43.00. A motion was made by Carl Dierks WA7LDX and second by Jim Murph N0ESG to let this change take place. It was passed.

Bob Schrader N7NKD reminded everyone to be careful about what they say and how they pass traffic at the parades this year. The only way we can pass traffic is as public safety. Not to inform the parade officials as to where the start of the parade is.

Reminder that the Auto Patch is for club members. Do not give out the codes to a non-member. The club pays for the repeater and it's upkeep and we need the members dues to help pay these bills.

Projects that need to be done are.

HF antenna installed at the club house.

Get ready for Field Day in June 22-23. Ken Rathbone KG7KO will be the Field Day coordinator this year.

September 92 we will be the sponsors for the High Plains Roundup.

We need some help to do some building at the club station.

OLD BUSINESS

The Novice class is still going and reported as going good. There are 13 people in the class.

NEW BUSINESS

Jim Murph N0ESG asks if there is a family plan on club dues. According to the BY-LAWS, the dues are \$15.00 and \$5.00 for the spouse.

We need your name, callsign and SSN for Emergency Management so you can be covered on their insurance. This information will be put into a data base in the computer at the club house.

Motion made and second to purchase the Amateur Radio News Service publication at a rate of \$6.00 for the first year and \$5.00 for the following. Motion carried.

Steve Cochrane gave a report from and about the ARRL.

Adjourned 8:45 PM

** 11 JUNE 1991 **

Meeting was called to order by President Bob Schrader N7NKD.

Minutes and treasurers report accepted. Savings \$1759.84 checking \$639.49

Change in order of meeting was requested of the members. Bob Wilson, Assistant, from Emergency Management Agency gave a presentation discussing various items including weather spotting, EMA operations at Frontier Days. Bob is also looking for volunteers for the July 4th victory celebration.

Committee Reports

Dale Putnam WC7S commented on the repeater use. Wilson Sellner WB7RRZ also reminded everyone of proper net operation during the clubs weather spotting etc.

Tom Lee WA7WYW had no PIA report.

Tom DeHoff WA7MAL had no report on BY-LAWS.

Ken Rathbone KG7KO Field Day assistance needed. Will have some individuals at Camp Jack on Friday night before field day.

Bob Lewis WB7T pass out preliminary maps for Frontier Days parade.

Jim Murph N0ESG indicated that special events station will be located at the same place in Frontier Park.

Introduction of guest: Robert Johnson by Dale Putnam WC7S

Donation of radio equipment including rotor and mast by Mrs Donna Fitch 3517 Reed - Secretary to issue Thank you note.

VE testing dates

Bob Scradler N7NKD has submitted a wish list on items needed by the club to the EMA office.

Jay Schiller N7SEY accepted as new member. Motion made by Tom Lee WA7WYW, 2nd by Ken Rathbone KG7KO motion passed.

Meeting adjourned 8:45

Minutes by Tom DeHoff WA7MAL

Meeting adjourned -- 9:04 PM

List of VE testing dates. August 31, 1991, October 19, 1991, January 18, 1992, April 18, 1992.

** 13 AUGUST 1991 **

Meeting called to order by Don Breazile N7MYR.

Minutes and Treasurer report read \$947.49 checking, \$1798.33 Savings.

Minutes and treasurer reports accepted. Committee to determine if we should get CD.

Repeater report- 147.105 working well, 146.775 working good Jim Murph N0ESG.

Bob Fredricks N7JYH moved get parts for access to repeater. WA7H Steve Cochrane
2nd. Motion carried.

Welcome Randy Schein N7QDI as quest to meeting.

VE testing August 31, 1991

HF beam to be placed at Iron Mountain site.

New Business

Don Breazile N7MYR comments on Frontier Days, Outsiders are pleased with our
operation.

Emergency Management had approval. Wilson 250 QSO's from van at park.

Report by WA7H Steve Cochrane. WUMI to be held at Park City, Utah. 200 persons
preregistered-- Estimate 300-350 persons attended. \$6700+- to be passed on next year.

High Plains Roundup -- 7 and 8th September, Yellow Pine campground. Meeting held
Sunday will probably vote on location to Hamfest-- be there to vote.

Motion to adjourn 7:45

*** YEAR 1993 ***

** 12 JANUARY 1993 **

The meeting was brought to order by our President, Bob Schrader N7NRD at 7:02 pm.

There were 28 members present with five guests.

The minutes were approved as read.

Treasurer's report: Deposit: \$115.07 29.00 Checking:\$419.03 Savings: \$2,327.84 The
Treasurer's report was approved as read. (Carl Dierks, AA7WQ)

Committee reports:

Technical: Dale Putnam WC7S reported club supporting a link system in the near future.

Fred from Highway Department donated parts to the club. We can decide what we want
to do with the donation.

RFI: George Anderson N7PLJ, reported one radio interference and now corrected.

PI: Wilson Sellner WB7RRZ, announced VE testing to be on January 23, at 9:00 am. at Wyoming Highway Department. Come in Northwest door of the main building. Cost: \$5.60. Next testing scheduled for April 24.

Historian: Jim Garrison W7NE mentioned he has FCC list available.

CONTEST: Dale Putnam WC7S, reported 10 call signs were turned in and all qualified for two pins and cups. During the sweepstakes, contestants had a clean sweep in so within 30 minutes from shut down of radios. Next Sweepstakes will be in November 93.

ANNOUNCEMENTS: Steve Cochrane WA7H, reminded ARRL members to send in their ballot for Section Manager before February 19.

Wilson Sellner WB7RRZ, stated Parade committee had meeting and decided no more alcoholic beverages in parade during Frontier Days.

Bob Mathews AA7QV reported Dennis Coelho KB70AA sends an apology, he is unable to fulfill Vice-President duties and asks that we look for a replacement.

George Anderson N7PLJ, donated three call books to the club. They are kept on the back table of the club room. They may be used by club members.

Bob Schrader N7NKD, reminded members of April dues.

Doug Dueland N7UVW, thanked Jim Garrison W7NE for his work on the new FCC list.

OLD BUSINESS:

Dinner Committee proposed door prizes for the dinner at Avanti's. This was presented to the club. The club discussed the matter and decided to have three door prizes. Bruce Edwards N7QIY, made a motion we have a \$100.00 gift certificate from HRO for the first prize and for the second and third prizes free club membership. It was seconded by Frank Pascarelli KA7DXK. The motion was moved, seconded and carried.

NEW BUSINESS:

Dale Putnam WC7S, moved the club allocate \$1000.00 to be used for the development of the link system. Frank Pascarelli KA7DXK seconded the motion. It was moved, Seconded and carried. At this time, the club will purchase three used radios to be revamped.

PROGRAM:

This evening the program was given by Roger Burr AA7JQ, on repeaters and some of the outlying area nets. The members enjoyed his information.

The program for February 9, will be given by Doug Dueland N7UVW on link systems.

The meeting was adjourned at 8:14 pm.

ATTACHMENT NUMBER 2

For many years you were required to put in for a different call sign when you moved to a different call area. The calls were re- issued and different people could have had a particular call over a period of several years. When the FCC started issuing WA call signs, they stopped re-issuing the W and K calls. There are a lot of unused W7 and K7 call signs. My old 1X3 call has not been in use for almost 20 years.

If you were an Extra class licensee, it was also possible to put in for a 1x2 call sign after you had been a ham for 25 years. It also had a fee of \$20.00 for the change. Call signs were assigned from the available list. About 1976 the fee for all ham calls was dropped and there was a one time chance to get your choice of the available 1x2 calls. I put in a

short list and got my first choice. Most other people seem to have had good luck with their choices. There were quite a few available W7xx and K7xx call signs and not that many Extra class holders.

When I returned to Wyoming in 1971 there were 4 other Extras in Cheyenne and only 16 in the state. There are about 30 Extra class in Cheyenne at this time. A Ham license still takes quite a bit of work but the code is slightly easier and the exams can be taken locally. Some of the NO-CODE Technicians have found out that code is not all that hard and have upgraded to Advanced and even Extra class.

The 2nd or 3rd calls are old calls and have been added where available. There are a few Dual calls, that belonged to people who had two different homes. Each home had it's own call sign eg:Paul Baylor W0VYF/ K7WNQ. Later the FCC dropped the second call.

The odds are that I don't have everybody and their call/s on the list. If you know of anyone I missed or find anything that needs correcting let me know. I tried to find a call sign for each person listed. It is possible that a few club members never did get a license and that is why I couldn't find one for them. No special effort has been made to find prior Calls.

THE FOLLOWING LIST WAS MADE FROM CLUB MINUTES AND CHEYENNE HAM LISTS.

LAST NAME	FIRST NAME	CALLSIGN
