COMMITTEE REPORTS

TECHNICAL COMMITTEE - Greg Rix
Greg reprogrammed .775 to get rid of

repetitive announcements.
Increased key time .5 seconds. Was set
at .3 seconds. Changed to .6 seconds.

Greg passed out command sheet for the
repeater.

Reimbursement for Greg:
2 dr45 link radios \$539
2 license manuals - \$
Radio shack - \$9.50 on connectors
Micro computer concepts
First wireless 120' of coax and
connectors \$120
\$814.32

146.82 machine is accessible.
Jerry said it is working handheld from
laramie. Mike whitmore says it has some
noise in it.

Battery back up needed for Alban and
146.82.

Battery on 146.775 is a new battery that
has no container.
Mike purchased a float charger.
Greg will pick up a battery box for the
146.775 repeater.

3 Kenwoods that the club bought have
battery backup ability.

1 kenwood for the 146.775.
1 at north park .105.
1 to albin.

Karey JR High expresses an interest in our old equipment.

Steve West said the base is getting rid of their quantars. Brian McNutt.
Quantar power supply costs \$1200.

Greg R has 2 old 146.775 machines. One is gutted. One is a fully operational backup.

If we buy a dstar and replace the .105 with dstar.

1 kenwood would then go to 146.82 repeater

146.82 is the mocom 70 vintage PA. Greg has spare rx, exciter, PA for that machine.

Tim & Mike moved & seconded to increase funding from \$750 previously approved for Greg Rix by \$64.32.

Mike whitmroe moved. Rodney seconded to give extra equipment to Carey Jr High.

We need an e1mer for new ham operator.

EDUCATION COMMITTEE is in recess.

SKYWARN

We need volunteers to run the Monday night net. WB7RRZ is the contact person for this.

ARES/RACES COMMITTEE - Brian McNutt
Cross band class last week went well.

Brian got approval for Tower and Trailer at Botanical Gardens for Field day.
Need help setting it up.

No ARES/RACES meeting next month due to field day.

Rob - ICS 100 & ICS 200 classes will be coming for new hams.

Suncore presented about pipelines last night. They want to do a table top exercise.

July 20 - plane crash exercise coming up.

Mass casualty class June 25, 26. Glen and Wilson are going.

WYOLINK training is available as well.

Brian reported on the RACES Leadership meeting. Guard liked our work and will have more classes.

VE TESTING COMMITTEE - will

There were 5 attendees at the last VE test. One did not pass. 1 general and 3 technicians.

Beth Harris name and address changed - Form 505 filled out.

Next VE is Aug 6.
