

Shy-Wy Amateur Radio Club
Minutes of meeting August 13, 2013

The meeting was held at the State of Wyoming State Operations Center (SOC), 5500 Bishop Blvd, and was called to order at 7:06 by Greg Rix, WB7GR, Club President.

Self-introductions of persons attending the meeting were made.

Host Jim Archerd spoke to the group about the SOC and related equipment. He explained the radio room and the need for our club and ARES / RACES to assist with communications during SOC operations. The Wyoming office of Homeland Security has received funds to complete upgrades to the amateur equipment in the near future.

Presentations: Tim Chapman KB7MDF presented a program on micro-controllers and the many uses for them. Thanks Tim
