

Shy-Wy ARC Club Meeting Minutes. Aug 12, 2014

After a pair of video presentations, one on ISS operations through pile-ups and another on the different iambic modes of operating a paddle for CW. The meeting was called to order by Pres. Greg Rix at 7:40 pm

There were 15 names signed in on the roster, 13 club members and 2 guests.

The treasurer report was read and approved.

There was a bill for \$255.90 for repair and shipping of the club's TenTec Eagle radio. This was below the \$300 initial estimate. Motion and second to pay the bills was made and passed.

There was no secretary present so minutes from the last meeting were dispensed with. WY7ATH was conscripted to take notes of the meeting in lieu of minutes.

Reports:

ARES/RACES: Next meeting will be on Oct 25. The ICS positions will be the subject.
